Dilemma Diane E. Levin,2006 As violence in the media and media linked toys increases parents and teachers are also seeing an increase in children s war play The authors have revised this popular text to provide more practical guidance for working with children to promote creative play and for positively influencing the lessons about violence children are learning Using a developmental and sociopolitical viewpoint the authors examine five possible strategies for resolving the war play dilemma and show which best satisfy both points of view banning war play taking a laissez faire approach allowing war play with specified limits actively facilitating war play and limiting war play while providing alternative ways to work on the issues

New for the Second Edition are more anecdotal material about adults and children s experiences with war play including examples from both home and school settings greater emphasis on the impact of media and commercialization on children s war play including recent trends in media programming marketing and war toys expanded discussion about the importance of the distinction between imitative and creative war play and summary boxes of key points directed at teachers or parents

Rachel Mairs,2024-03-04 During the nineteenth century and into the early twentieth century more Europeans visited the

Middle East than ever before as tourists archaeologists pilgrims settler colonists and soldiers These visitors engaged with the Arabic language to differing degrees While some were serious scholars of Classical Arabic in the Orientalist mould many did

not learn the language at all Between these two extremes lies a neglected group of language learners who wanted to learn enough everyday colloquial Arabic to get by The needs of these learners were met by popular language books which boasted that they could provide an easy route to fluency in a difficult language Arabic Dialogues explores the motivations of Arabic learners and effectiveness of instructional materials principally in Egypt and Palestine by analysing a corpus of Arabic phrasebooks published in nine languages English French German Spanish Portuguese Italian Yiddish Hebrew Russian and in the territory of twenty five modern countries Beginning with Napoleon s Expedition d gypte 1798 1801 it moves through the periods of mass tourism and European colonialism in the Middle East concluding with the Second World War The book also considers how Arab intellectuals understood the project of teaching Arabic to foreigners the remarkable history of Arabic learning among Yiddish and Hebrew speaking immigrants in Palestine and the networks of language learners teachers and plagiarists who produced these phrasebooks
