Bertrand,2023-01-26 When third year football coach Sherm Blaser walked into his first team meeting for the upcoming season he asked the team what their team goal should be for the upcoming season The first hand that went up was that of senior defensive lineman Benten Hall who suggested a winning season would be an appropriate team goal A winning season might not seem like a lofty goal but it is certainly a practical one The previous year the Kavemen did go 5 4 but finished sixth in conference play and did not make the playoffs Benten s sophomore and freshman years those varsity teams went a combined 7 12 In fact since Benten and his fellow seniors on the team started the first grade eleven years ago the Kuna football teams have a combined record of forty three wins and sixty two losses The football program has not won a conference championship since 1998 and has won just one playoff game this century Blaser was not seen as the savior of this program when he was hired two years before Before coming to Kuna his record was 15 21 at two previous schools In his two previous years on the Kuna campus his record was only 8 10 So how could this team led by this coach make it all the way to the state championship game Fortunately for me my son Ryan who was starting his fourth season as part of Sherm Blaser s coaching staff and was living with me as he was finishing his master s program in psychology so I had a front row seat to this amazing season *Playing Fair* Butler, Joy,2016-06-15
