Urban Fantasy Tricks:

A Trick of the Shade: A fast-paced fae urban fantasy (Gravity's Daughter Book 2) Stephanie Caye, 2023-10-13 You can't put just saved the world you're welcome on a resume. Ask me how I know Jude's drifting in Montreal low on both funds and purpose. Eking out a normal life is surprisingly difficult for someone whose strongest marketable skill is her ability to manipulate gravity. Who knew landing a steady job would be a bigger challenge than hunting supernatural creatures? Then her scant few acquaintances begin turning up dead around the city, their hearts missing. All signs point to a vicious shade, a Faerie cursed to live forever in a ghoulish fate worse than death as the culprit. But Jude's never even heard of shades before now, so why do these killings seem designed to bait her? Racing to find the answer and stop the murders brings her to old friends, new enemies, and every shift variation in between. While risking life and limb battling a sinister Faerie monster may not be normal, it's a routine Jude knows by heart. And it beats working retail. **Carniepunk: Parlor Tricks** Jennifer
