Urban Fantasy Complete Workbook:

The Beginner Writer Workbook Geetanjali Mukherjee, 2020-11-29 People often say I wish I had the time to write a book I wish I could take six months off to write or I don't have the discipline Many people want to write and have ideas they would like to express but are intimidated by the process by thinking that it is too hard or that they don't have the requisite talent or think they don't have enough time to fit writing into their already busy schedule If you would like to write a book but don't know how to start this book is for you I wrote this workbook to help you get from idea to complete manuscript Maybe in the past you have wanted to write but didn't know how so you put that idea aside Maybe you started but had several false starts Whatever the reason if you have always wanted to write a book but didn't think that you could do it or didn't know how to go about it this book will help you get from the blank page to a finished book In this book I cover the basics of writing a book whether it is non fiction or a novel from getting the initial idea to writing a first draft all the way to a finished book I also cover how to find time to write dealing with writer's block and editing I want to show you how to finally finish writing your book so that you can take your dream from I wish to I did **The Official C.D.
