Committee on Electronic Vehicle Controls and Unintended Acceleration, 2012 TRB has released the final version of TRB Special Report 308 The Safety Promise and Challenge of Automotive Electronics Insights from Unintended Acceleration which examines how the National Highway Traffic Safety Administration NHTSA regulatory research and defect investigation programs can be strengthened to meet the safety assurance and oversight challenges arising from the expanding functionality and use of automotive electronics The report gives particular attention to the NHTSA response to consumer complaints of vehicles accelerating unintentionally and to concerns that faulty electronic systems may have been to blame The committee that produced the report found that the increasingly capable and complex electronics systems being added to automobiles present many opportunities for making driving safer but also present new demands for ensuring their safe performance These safety assurance demands pertain both to the automotive industry development and deployment of electronics systems and to the safety oversight role of NHTSA With regard to the latter the committee recommends that NHTSA give explicit consideration to the oversight challenges arising from automotive electronics and that the agency develop and articulate a long term strategy for meeting these challenges Provided by publisher **The Cutting Edge** Rod Millen, 2014-08-15 One of New Zealand's greatest rally drivers and a hill climbing superstar tells his inspiring story for the very first time Rod Millen was a hero of New Zealand rallying in the 1970s Having won several championships he quickly established himself as New Zealand's number one driver But thereafter Millen went on to do what very few Kiwis have achieved finding podium success in American motorsport He won the North American Race and Rally Championship in 1979

1980 and 1981 then in 1989 Millen achieved perhaps his greatest feat winning the Pikes Peak International Hill Climb America's second oldest motor racing event Writing his name into history he went on to win the race more times than any driver The hill climb is often referred to as Millen's Mountain Rod Millen is also a highly successful businessman As a continuation of his off road driving interests he founded Millenworks in California in 1980 specializing in cutting edge light tactical vehicles armored and off road vehicles and subsystems for the US military and theme parks Millen has recently returned to New Zealand building a 140 acre ocean front estate at Hahei with a racetrack as a driveway modeled on his favourite hill climb corners around the world He's also established Leadfoot Festival a unique weekend held every two years at the estate bringing together a mix of classic cars vintage motorcycles and motorsport legends inspired by the famous British Goodwood Festival of Speed Aside from rallying Rod is well known for other forms racing such as super touring drifting and extreme off road races like the Baja 1000 often considered the most dangerous race in the world and Transsyberia rally which he won in 2007 Rod also won the Race to the Sky hill climb in New Zealand in 2002 and posted the fastest time at the 2002 Goodwood Festival of Speed in England and he still has the record up his own front driveway The Cutting Edge is Rod's story in his own words of a life lived pushing the boundaries of record breaking off road driving working at the forefront of motorsport technology and of creating the ultimate petrol head heaven right in his own backyard
