This shows a feeling of real threat and that they feel very insignificantly in amongst such monstrous weather. The word "apocalyptic" is used to suggest the end of the world

and it emphasises the power of the storm. It also shows that he feels so threatened and terrified of the storm that he thinks he is going to die.

On the other hand, Source B is a far more positive and cheerful. Minby shows himself to be very appreciative of the beauty of the snow and it gives him a sense of happiness. We see this when he says "The landscape" and "ashy". This shows that he thinks that the storm is enhanced by the snow and that it made it a nicer place. The word "picturesque" "ashy" shows us that Minby thinks that the snow looks delicate and it makes everything more lovely.

Source A presents Dickinson as being feeling vulnerable towards the storm. He seems very intimidated by the storm and we see this particularly when
