Steiner, 1998 An ideal guide for architects builders and all those who are passionate about architecture this book takes the reader through the architecture of buildings in the heart of Chicago while providing a lesson in art history Most of the inventions of modern architecture were born and tested in Chicago from the balloon frame to the earliest skyscrapers providing a foundation for the newest generation of buildings that seemed to touch the sky While many architectural books focus on exterior beauty this book

examines each building's unique inner structure. Maps and photos guide the reader through this outdoor architectural museum. Weekends in Chicago Chicago Tribune Staff, 2013-08-20. Paddling & Pastimes Doc Fletcher, 2015-03-05. Adventures on rivers and at baseball stadiums: there is no set time to each experience, no two are alike. In dimensions, each river and ballpark visit is excitedly anticipated, and except for a few enclosed exceptions, weather conditions can impact the adventure. Canoeing and kayaking down a river and an afternoon at the ballpark are both important to our spiritual well-being. Pittsburgh, Minneapolis, Chicago, Milwaukee, Cleveland, Detroit. All are major Midwestern cities that evolved on the banks of the rivers that flowed through them: the Allegheny, the Mississippi, the Chicago, the Milwaukee, the Cuyahoga, and the Detroit. Six rivers that were critical to six Midwestern towns in their discovery, development, transportation, commerce, and enjoyment. Paddling trips down each of the six rivers, at least the segment of the rivers flowing through these big cities, are wide, deep, slow-moving affairs, not your usual canoeing and kayaking rural backwoods adventures that combine the joy of paddling with fascinating glimpses of history and architecture on the riverbanks. With backgrounds provided by river tour guides and history books, we'll share with you the unique view from the water in words and photos of each city's riverside landmarks. One of the landmarks each city has in common is a major league ballpark, either along or near the river. Coinciding with the 1800s industrial development of these six Midwest cities was the birth of our national pastime, the grand old game of baseball. Baseball was the balance needed to counteract our country's often turbulent shift from a society of primarily family farmers to Industrial Revolution clock punchers. The beauty of the hit and run, the green grass of a sunlit field, a ballpark frank and a cold beer brought the same smile and serenity in the 1800s as they do today. To the River of No Return Doc Fletcher.
