When Colorblindness Isn't the Answer Anthony B. Pinn,2017-05-15 The future of the United States rests in many ways on how the ongoing challenge of racial injustice in the country is addressed Yet humanists remain divided over what if any agenda should guide humanist thought and action toward questions of race In this volume Anthony B Pinn makes a clear case for why humanism should embrace racial justice as part of its commitment to the well being of life in general and human flourishing in particular As a first step humanists should stop asking why so many racial minorities remain committed to religious traditions that have destroyed lives perverted justice and justified racial discrimination Rather Pinn argues humanists must first confront a more pertinent and pressing question why has humanism failed to provide a more compelling alternative to theism for so many minority groups For only with a bit of humility and perspective and a recognition of the various ways in which we each contribute to racial injustice can we truly fight for justice **Questions and Answers** ,1936
