Chronicle of Singapore, 1959-2009 Peter H. L. Lim, 2009 This lavishly illustrated volume captures the entire dramatic sweep of Singapore's modern history from its declaration of independence in 1959 to today Organised in chronological order with each year's coverage starting with a succinct summary of its key events Chronicle of Singapore covers not only the nation's defining political and economic events but also the more human side of Singapore sports fashion music the arts architecture and culture giving readers the broadest possible coverage Anyone who has visited or lived in this most unique of modern city nations will be enthralled by this pictorial and narrative history **Singapore Malays** Hussin

Mutalib, 2012-07-26 The Malay population makes up Singapore's three largest ethnic groups This book presents holistic and extensive analysis of the Malay Muslim story in Singapore Comprehensively and convincingly argued the author examines their challenging circumstances in the fields of politics education social mobility economy leadership and freedom of religious expression The book makes a significant contribution to the understanding of Muslims in Singapore and the politics of a Malay Muslim minority in a global city state It is of interest to researchers and students in the field of Singaporean studies Southeast Asian Studies and Islam in Asia Singapore's Multiculturalism Chan Heng Chee, Sharon Siddique, 2019-03-15

Since independence in 1965 Singapore has developed its own unique approach to managing the diversity of Race Religion Culture Language Nationality and Age among its citizens This approach is a consequence of many factors including its very distinct ethnic makeup compared with its neighbours its ambitions as a globally oriented city state and its small physical size Each of these factors and many others have presented Singapore society with a range of challenges and opportunities and will in all likelihood continue to do so for the foreseeable future In the writing of this book the author team set themselves the task of projecting the impact of current domestic and international social trends into the future to anticipate what Singapore society might look like by around 2040 In doing so they analyse the particular path that Singapore has taken since independence in comparison with other multicultural societies and with regard to the balance between the necessity of forging a new national identity after British rule and departure from Malaysia and the need to ensure that Singapore's ethnic minority populations remain socially enfranchised They further consider how current trends may develop over the next couple of decades what new challenges this may present to Singapore society and what might be the likely responses to such challenges In this book Singapore is a case study of a global city facing the challenges of developed world modernity in frequently acute ways **PSLE Examination Papers 2013-2015** ,2016 *PSLE Examination Papers 2013-2015* ,2016
