today The text includes An abridged history and overview of environmentalism in the field of architecture A clear methodology for analyzing the included 29 cases which can also be adopted for further guidance in a variety of architectural design projects Assessments of 29 buildings 10 libraries 10 museums and 9 university buildings from around the world Analyzing Eco Architecture Beyond Performance is essential reading for students researchers and practitioners involved in the study and design of environmental architecture today **Building Performance Evaluation** Wolfgang F.E.

Preiser,Andrea E. Hardy,Ulrich Schramm,2017-08-30 The main aim of this book is to present an intriguing retrospective of Building Performance Evaluation BPE as it evolved from Post Occupancy Evaluation POE over the past 25 years On one hand this is done by updating original authors chapter content of Building Evaluation the first edition published in 1989 That in turn is augmented by an orientation toward current and future practice on the other including new authors who are engaged in ongoing cutting edge projects Therefore individual methodology oriented chapters covering the fundamental principles of POE and BPE go along with major thematic chapters topics of which like sustainability or integration of new technologies are addressed in a diversity of case studies from around the globe Research methodologies and framework of POEs continue to evolve POEs are one step on the larger scale of BPE in understanding how buildings function after they are occupied This resource helps a rchitects building owners and facility managers understand the implications and reactions to the facilities that they designed built and or commissioned By considering the whole process from conception to future uses of the building there can be a more holistic approach to the planning programming design construction occupancy and future adaptability of the structure This book is dedicated to first editor Wolfgang F E Preiser who passed away during the process of editing and reviewing chapters of this volume *A Practical Guide to Post-Occupancy Evaluation and Researching*

Building User Experience Nigel Oseland,2023-09-11 A Practical Guide to Post Occupancy Evaluation offers high level pragmatic guidance and case study examples on how to conduct a Post Occupancy Evaluation POE to determine whether a workplace project is successful and uncover the lessons learned for future projects For designers POEs provide essential predesign feedback informing the design brief to determine occupant requirements and help focus expenditure For those in charge of a building or buildings POE offers proactive building management and can also be used as part of the change management programme in larger projects informing the occupants of progress The practical guidance offered in this book will help the workplace industry understand if a design meets the requirements of an occupier and measure the success of and value offered by a workplace project This book will be of interest to professionals in the workplace industry responsible for delivering and evaluating capital projects as well as those studying interior design architecture surveying facilities management and building services engineering *The Routledge Handbook of Architecture, Urban Space and Politics, Volume II* Nikolina Bobic,Farzaneh Haghighi,2024-11-22 Architecture and the urban are connected to challenges around violence security race and ideology spectacle and data The first volume of this handbook extensively explored these

oppressive roles This second volume illustrates that escaping the corporatized and bureaucratized orders of power techno managerial and consumer oriented capitalist economic models is more urgent and necessary than ever before Herein lies the political role of architecture and urban space including the ways through which they can be transformed and alternative political realities constituted The volume explores the methods and spatial practices required to activate the political dimension and the possibility for alternative practices to operate in the existing oppressive systems while not being swallowed by these structures Fostering new political consciousness is explored in terms of the following themes Events and Dissidence Biopolitics Ethics and Desire Climate and Ecology Urban Commons and Social Participation Marginalities and Postcolonialism Volume II embraces engagement across disciplines and offers a wide range of projects and critical analyses across the so called Global North and South This multidisciplinary collection of 36 chapters provides the reader with an extensive resource of case studies and ways of thinking for architecture and urban space to become more emancipatory Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

Influence and Resistance in Post-Independence Egyptian Architecture Marwa M. El-Ashmouni, Ashraf M. Salama, 2022-07-22 This book is an effort towards an in depth understanding of the architectural discourse in Egypt developed over more than eight decades It offers a distinctive theoretical interpretation of the forces shaping the kaleidoscopic shifts in Egyptian architecture through the analysis of the micro space of architectural representation of twentieth century Egyptian architecture Predicated on historical contextualization theoretical integration and global conceptualization Edward Said's analytical method of contrapuntal reading and the spatial discourse analysis posited by C Greig Crysler are lucidly assimilated to generate insights into various voices within the architectural discourse in Egypt The analysis and critique of two important professional magazines *al Imarah* 1939 1959 and *Alam al Bana* 1980 2000 which shaped the collective psyche of both the academic and professional communities in Egypt and the wider region coupled with the exploration of two other short lived magazines *M imaryah* 1982 1989 *Medina* 1998 2002 and other less influential professional magazines discloses the structure of attitude and reference or the exclusions and inclusions that defined the boundaries of the space of the discourse *Influence and Resistance in Post Independence Egyptian Architecture* paves the way to genuinely debate a yet to mature twenty first century's architectural discourse in Egypt This book is a key resource for architects architectural historians and critical theorists and will appeal to academics and to both graduate and advanced undergraduate students in architectural history and theory and Middle East and Global South studies

Spatial Design Education Ashraf M. Salama, 2016-03-09 Design education in architecture and allied disciplines is the cornerstone of design professions that contribute to shaping the built environment of the future In this book design education is dealt with as a paradigm whose evolutionary processes underpinning theories contents methods tools are questioned and critically examined It features a comprehensive discussion on design education with a focus on the design studio as the

backbone of that education and the main forum for creative exploration and interaction and for knowledge acquisition assimilation and reproduction Through international and regional surveys the striking qualities of design pedagogy contemporary professional challenges and the associated sociocultural and environmental needs are identified Building on twenty five years of research and explorations into design pedagogy in architecture and urban design this book authoritatively offers a critical analysis of a continuously evolving profession its associated societal processes and the way in which design education reacts to their demands Matters that pertain to traditional pedagogy its characteristics and the reactions developed against it in the form of pioneering alternative studio teaching practices Advances in design approaches and methods are debated including critical inquiry empirical making process based learning and Community Design Design Build and Live Project Studios Innovative teaching practices in lecture based and introductory design courses are identified and characterized including inquiry based active and experiential learning These investigations are all interwoven to elucidate a comprehensive understanding of contemporary design education in architecture and allied disciplines A wide spectrum of teaching approaches and methods is utilized to reveal a theory of a trans critical pedagogy that is conceptualized to shape a futuristic thinking about design teaching Lessons learned from techniques and mechanisms for accommodation adaptation and implementation of a trans critical pedagogy in education are conceived to invigorate a new student centered evidence based design culture sheltered in a wide variety of learning settings in architecture and beyond
