

Beauty Pageants Aren't Exploitive

Beauty Pageants aren't Exploitive All kinds of beauty pageants are held every year. Many girls are dreaming to participate in them to show themselves and achieve what they want. In order to get the chance, they may use different ways. Therefore, some people think that beauty pageants are kind of exploitive, which I am disagree with . Proponents of this idea claim that looking good is the standard you get into through a beauty pageant but ignore the deeper meanings of women.

There is nothing wrong with judging people primarily on their physical conditions. We do this all the time in competitive sport, where fitness and strength are major determinants of success. Every competition, of every kind, values certain qualities over others. Similarly, we can give a prize to a beautiful woman for her beauty without implying that beauty is all that matters about anyone. People who against it think that beauty pageants make harmful attitudes to women.

In a society which there really are fewer opportunities for women than for men, beauty pageants give women a chance to get noticed and to improve their situations. Winning a beauty pageant can be a route to success. Some people maybe totally disagree with it. They put forward this idea because in order to participate in it, some girls may try all kinds of extreme ways to keep fit and it's harmful to them. Entering a beauty pageant and performing well requires a great deal of qualities which are both very useful to possess.

When there is a stage full of good-looking young women, the winner must be someone with personality and confidence, but not just an attractive appearance. Alex Comfort said:"A woman's greatest asset is her beauty. Though the beauty pageant do have something bad for the beauty in the past, it isn't exploitive. It has changed as the society is developing. It can help you succeed, know yourself and show your charm.

A Textbook of Grammar and Writing Skills K. Thomas Baby, 2025-04-27 This textbook presents a unique version of simplified English grammar that is easily understood by the average EFL student who struggles with the complex explanations found in standard grammar books prescribed for undergraduate students. Moreover, many prescribed grammar textbooks often lack sufficient practice materials and overlook certain seemingly trivial aspects of language that are crucial for language acquisition. Therefore, this book is specifically designed to address these challenges by shifting from traditional rule based grammar learning to a cognitive approach that identifies patterns of correct sentence structure. This method makes grammar instruction easier and more engaging for the average student. Additionally, the book includes dedicated sections on summarizing, paraphrasing, and essay writing activities aimed at developing the writing skills of students at varying language levels by providing suitable practice materials. Some exercise sets focus on invention and the writing of short pieces.

Readers can then proceed to exercises that call for critical thinking drafting and revision Grammar mechanics and punctuation chapters conclude with summary editing exercises that call upon readers to use all the grammar and sentence skills learned in the chapter Many chapters contain a pair of Discovering Connections exercises The first which falls early in the chapter is a prewriting assignment with an array of topic possibilities The second is a drafting and revision exercise based upon the prewriting and calls for peer review For those interested in developing their writing skills at the paragraph to essay level The Borzoi Handbook for Writers (text only--no practice book) Frederick Crews,Sandra Schor,Michael Hennessey,1992-11-01 Designed as an easy to use non jargon bound reference for writers the BORZOI features elegant straightforward language suggestions and advice as it avoids complex grammatical explanations The handbook is accompanied by a free Practice book that provides exercises based in real discourse units **The Cultures of Celebrations** Ray Broadus Browne,Michael T.
