Nd Term Scheme Of Work 2014 2015 For Ss:

OECD Skills Outlook 2015 Youth, Skills and Employability OECD,2015-05-27 Young people around the world are struggling to enter the labour market In some OECD countries one in four 16 29 year olds is neither employed nor in education or training The OECD Skills Outlook 2015 shows how improving the employability of youth requires a comprehensive approach While *Access to work for disabled persons in South Africa: A rights critique* Meryl Candice du Plessis,2017-06-22 Assumptions of inability and the perceived costs of employing disabled persons are two of the primary reasons why it has been impossible or difficult for many capable disabled persons to access work and to continue working This book considers the South African legal framework that seeks to promote such access and critiques it with particular reference to the intersections of the rights to equality and access to social security One of the primary arguments is the need for a more active conception of social security in which access to work for disabled persons is recognised as an integral component of promoting both social security and substantive equality

Austerity Politics and UK Economic Policy Craig Berry,2016-05-31 Craig Berry assesses UK economic policy in the wake of the financial crisis through the lens of the austerity agenda focusing on monetary policy economic rebalancing industrial and regional policy the labour market welfare reform and budgetary management He argues that austerity is geared towards a resurrection of financialisation and the UK's pre crisis economic model through the transformation of individual behaviour and demonisation of the state Cutting public spending and debt in the short term is at most a secondary concern for the UK policy elite However the underlying purpose of austerity is frequently misunderstood due to its conflation with a narrow deficit reduction agenda not least by its Keynesian critics Berry also demonstrates how austerity has effectively dismantled the prospect of a centre left alternative to neoliberalism
