Complex Networks & Their Applications VI Chantal Cherifi,Hocine Cherifi,Márton Karsai,Mirco Musolesi,2017-11-24 This book highlights cutting edge research in the field of network science offering scientists researchers students and practitioners a unique update on the latest advances in theory and a multitude of applications It presents the peer reviewed proceedings of the VI International Conference on Complex Networks and their Applications COMPLEX NETWORKS 2017 which took place in Lyon on November 29 December 1 2017 The carefully selected papers cover a wide range of theoretical topics such as network models and measures community structure network dynamics diffusion epidemics and spreading processes resilience and control as well as all the main network applications including social and political networks networks in finance and economics biological and ecological networks and technological networks

Java Servlet & JSP Cookbook Bruce W. Perry,2004-01-21 With literally hundreds of examples and thousands of lines of code the Java Servlet and JSP Cookbook yields tips and techniques that any Java web developer who uses JavaServer Pages or servlets will use every day along with full fledged solutions to significant web application development problems that developers can insert directly into their own applications Java Servlet and JSP Cookbook presents real world problems and provides concise practical solutions to each Finding even one tested code recipe that solves a gnarly problem in this comprehensive collection of solutions and best practices will save hours of frustration easily justifying the

cost of this invaluable book But Java Servlet and JSP Cookbook is more than just a wealth of cut and paste code It also offers clear explanations of how and why the code works warns of potential pitfalls and directs you to sources of additional information so you can learn to adapt the problem solving techniques to similar situations These recipes include vital topics like the use of Ant to setup a build environment extensive coverage of the WAR file format and web xml deployment descriptor file uploading error handling cookies logging dealing with non HTML content multimedia request filtering web services I18N web services and a host of other topics that frustrate even the most seasoned developers For Java web developers of all levels who are eager to put into practice the theory presented in other API focused books the solutions presented in this practical book will prove invaluable over and over again This is painless way for less experienced developers who prefer to learn by doing to expand their skills and productivity while accomplishing practical solutions to the pressing problems they face every day More experienced developers can use these recipes to solve time consuming problems quickly freeing up their time for the more creative aspects of their work

How to Self-publish and Market a Children's Book (Second Edition) Karen P Inglis, 2021-05-19 An indispensable easy to read resource from international bestselling children's author Karen Inglis A masterclass all wrapped up in a book Have you written a children's story that you can't find a home for Do you need help with your early self publishing journey or with more advanced children's book publishing and marketing strategies Are you traditionally published but curious about other options If you answered yes to any of these questions you're in the right place How to Self publish and Market a Children's Book Second Edition provides practical in depth guidance and key strategies for self publishing in print eBooks and audiobooks and for selling more children's books face to face and online After reading this book you will understand How you can self publish your children's story at little or no cost Why print matters for children's self publishing but why eBooks are also critical for marketing Why it's important to work with professional children's editors illustrators and cover designers and where to find them How to set up successful school visits and other events and how to plan and run virtual events Best practice and expectations for getting into bookshops Which tools and platforms can help with your book marketing including key strategies for Amazon ads and other advertising How to get reviews How to create and market children's audiobooks When and how to approach translation and foreign rights Options for upfront printing and who this is suitable for Where to find other self publishers for ongoing support and advice Self published international bestselling children's author Karen Inglis has sold over half a million children's books in print over 20 000 eBooks and over 8 000 audiobooks Her popular middle grade time travel adventure The Secret Lake is now in translation in nine languages and its long awaited sequel 2022 has received glowing reviews and very strong early sales Karen's picture book The Christmas Tree Wish was shortlisted for the 2020 UK Selfies Award for best self published children's book Her most recent picture book The Tell Me Tree has received praise from teachers and parents alike for helping children talk about their feelings and is being used in UK classrooms As well as writing for children Karen has over

30 years experience as a professional copywriter and writing training consultant Her ability to organise and explain topics in plain English won her praise and over 100 5 star reviews for the first edition of this book This expanded and updated edition for 2021 which now includes virtual events audiobooks foreign editions and detailed advertising strategies as well as more tools and platforms to help with your book marketing will not disappoint One reviewer described the first edition as A masterclass wrapped up in a book We think that pretty well sums up the second edition too With everything together in one place and a comprehensive table of contents to help you quickly find what you need How to Self publish and Market a Children s Book Second Edition provides a powerful ready reference that you can come back to again and again How to Market a Children s Book standalone edition if you understand self publishing If you are a seasoned children s book self publisher and are looking only for marketing support search for How to Market a Children s Book by Karen P Inglis This separate edition also released in May 2021 incorporates the marketing content of the combined book It assumes you fully understand the various self publishing options and distribution processes for print eBooks and audiobooks *An Author's Guide to Working with Libraries and Bookstores* Mark Leslie Lefebvre,2019-12-10 Any author can get their book listed in an online catalog But what if you want more What if you want to rise above the digital masses and be relevant to booksellers and librarians In today s digital age of publishing it s easy to get your book listed on major retail and library sites around the world But what about Attracting the attention of the curators of these sales channels Succeeding in getting some of these channels to highlight spotlight and promote your book to their customers or patrons Having a bookstore or library actually order and stock your print book Being invited to either host or participate in a live event in a bookstore or library Standing out as a talented and relevant professional or subject matter expert All of these things take a bit more effort than the average creative person is willing to invest But that s where you come in because this type of success is reserved for the truly dedicated author like you With the right amount of foresight preparation effort and determination you can rise above the digital slush to a place where you and your book can stand out to exactly the right people This book walks you through all that you need to know in order to leverage the tools available for successfully working with both bookstores and libraries It is derived from the author s three decades of experience in the book industry as a writer an editor a bookseller and a publishing industry representative If you want to leverage insights into the systems and logistics associated with print eBook and audiobook distribution to retailers and libraries to maximize your availability in these formats as well as your overall sales and earnings then this is the book for you *An Author s Guide to Working with Bookstores and Libraries* is a no BS overview of the publishing industry bookstores and libraries It outlines the basics of what authors need to know when navigating their way through the complex print eBook and distribution options available to authors Whether you are traditionally published or self published this book provides guidance and insights to help you maximize your sales your earnings and your author brand *Sell on Amazon* Steve Weber,2008-08 If you are in business to sell consumer goods or you want to be you should be on

Amazon.com More than 90 million customers shop at Amazon As its global business booms Amazon is inviting all sorts of independent sellers large and small businesses individuals and mom and pop shops to sell their merchandise right on Amazon Whether you're just starting or already in business you can boost your sales and profits by showing your wares on Amazon the world's biggest store Everything you need to start converting your items into cash is in this book by Steve Weber one of the most successful and highly rated sellers in Amazon history How to set up shop on Amazon and generate worldwide sales volume with no up front cost risk or advertising Run your Amazon store from home a warehouse or a walk in store or outsource everything to Amazon's fulfillment center Find bargain inventory target niche markets for big profits Get tax deductions and write offs for business use of your home Use Amazon as a stand alone business or a lead generator for an existing business Pay lower sales commissions on Amazon Sell your inventions crafts or intellectual property on Amazon Guard against scammers and rip off artists Automate your business with easy to use tools *The Secrets to Successfully Marketing Your Book* Susan Page, 2012-06 Are you excited that you finished your manuscript Are you ready to publish your book Are you ready to watch your book fly off the book shelves Think Again Without an effort to market your book no one will know it exists and the ugly truth is that marketing is your job not your publisher's job Once you finish your book the work just begins Whether a traditional publishing house publishes your book or you publish your own book all authors are equal once a book is in the marketplace unless of course you are the President of the United States If you think marketing sounds difficult like a job for a publicist think again In *The Secrets to Successfully Marketing Your Book* you will learn how to use social media and traditional methods to reach potential buyers As a published author with the American Management Association Susan Page learned the hard way how to build awareness for her product Two years after her first book was published it continues to sell well Along with an engaging and user friendly approach to marketing *The Secrets to Successfully Marketing Your Book* presents a plan that outlines the monthly tasks you have to accomplish starting six months prior to publication and continuing until after publication You could buy a book on social networking another book on building a web site and another book on developing a marketing plan but *The Secrets to Successfully Marketing Your Book* blends all these topics together in one organized marketing plan Susan Page outlines what you have to do to keep your book selling And she writes it in the same pragmatic approach as she took with *The Power of Business Process Improvement* She goes right to the information authors want and shares the secrets by explaining the how and not just the what you have to do So save your money on a publicist You have the power to market your book Your success depends on you **Content Syndication with RSS** Ben Hammersley, 2003 Originally developed by Netscape in 1999 RSS which can stand for RDF Site Summary Rich Site Summary or Really Simple Syndication is an XML based format that allows web developers to describe and syndicate web site content Using RSS files allows developers to create a data feed that supplies headlines links and article summaries from a web site Other sites can then incorporate these elements into their pages automatically this text provides a comprehensive reference

to the specifications and the tools that make syndication possible Back cover **EPublish** Steve Weber,2009 Indie Author's Toolbox: How to create, publish, and market your Kindle book Nick Vulich,2014-06-29 Read this if you want to sell more books make more money as an author or rank higher in your category My name is Nick Vulich The first thing you should know about me is I m not a writer and I m not an expert on self publishing either I never worked in the industry and I don t have any experience working for the big publishers In fact the only thing I consider myself an expert in is how to sell on eBay Amazon and Fiverr So why should you listen to me Like most indie authors I came into publishing through the back door I had a story to tell and one day I just sat down and let it all come out What I wrote wasn t pretty or polished but it helped a lot of people sell more stuff on eBay What I couldn t say with fancy prose I made up for with enthusiasm Because of that my books sold I m not going to lie to you It wasn t easy I read just about every book available on self publishing I studied up on KDP Free days Countdown Deals price pulsing How to Market a Children's Book Karen P Inglis, A practical guide to all aspects of children s book marketing from bestselling children s author Karen Inglis Whether you ve just published your first children s book and aren t sure where to start with marketing or are struggling to increase sales of your existing titles How to Market a Children s Book is here to help Packed full of practical guidance and drawing on over 10 years experience of children s book marketing by international bestselling children s author Karen Inglis it offers a trusted resource for you to return to again and again for support with both offline and online marketing and advertising strategies This book assumes you already fully understand the various self publishing options and distribution processes for print eBooks and audiobooks or that you are a traditionally published children s author looking for new ideas to help promote your book s If you also need guidance on the self publishing process look instead for Karen s combined flagship publication How to Self publish and Market a Children s Book Second Edition After reading How to Market a Children s Book you will understand How to establish your brand locally and why this is important How to get reviews both at and after your children s book launch How to set up successful school visits and other face to face events How to plan and run virtual school visits or other online events Best practice and expectations for getting into bookshops Why and how eBooks should be part of your print book marketing strategy Which tools and collaborative platforms can help your children s book marketing How to use email marketing including staying within data protection rules for minors Key strategies for Amazon advertising and why this is the best place to start Other social media and advertising options including Facebook Instagram and Pinterest Audiobook marketing your key options Translation and foreign rights as part of an advanced marketing strategy Karen Inglis is a successful self published author of picture books illustrated chapter books and middle grade novels Her time travel adventure The Secret Lake has sold over 450 000 English language print copies worldwide close to 20 000 paid eBook copies and over 8 000 audiobooks She has also sold rights to eight countries and overseen its translation into German where Der verborgene See is an Amazon de bestseller at the time of writing in 2022 Each of Karen s picture books and chapter books have sold in their

thousands through a combination of school visits bookshop sales and online sales Karen's picture book *The Christmas Tree Wish* was shortlisted for the UK Selfies Award for best self published children's book in 2020 Her most recent picture book *The Tell Me Tree* has received praise by parents and teachers alike and is being used in UK classrooms to help children talk about feelings Karen has presented on children's self publishing at conferences around the UK and is Children's Advisor at The Alliance of Independent Authors

Create, Distribute and Monetise Your Content From ANYWHERE to EVERYWHERE

Onyema Udeze, 2022-04-06 No matter where you are and at what stage you are as a creative you can begin to make money from your content Distributing your content globally and selling your digital products to a global audience is no more a dream but a reality in today's global economy As a creative your content can reach places you might never get to visit Your content can build you into a global figure and make you money even while you sleep It is possible to make a career out of content creation You get to travel around the world and sell globally Monetising your content and digital products can be quite complicated You might have found yourself asking these questions How do I know what people will be willing to pay for On what platforms do I sell my products to maximise sales How do I get paid on global international platforms How do I compete with all the big names in the industry How do I get good at selling How do I successfully launch my products Where do I start from Monetisation is indeed complicated and that is because the internet is very competitive This book is a comprehensive guide on how to Create Distribute and Monetise your content from any part of the world to every part of the world so you can make a killing doing what you love Be it E books Online Courses Podcasts or Written Content This book is broken down into six parts The first part paints a clear picture of why content is more relevant than ever today The second part focuses on Ideating Writing Editing Formatting Publishing and Distributing E books The third part focuses on Ideating Creating Recording Producing Distributing and Managing Online Courses The fourth part focuses on Ideating Recording Producing and Distributing Podcasts The fifth part focuses on Distributing and Monetising Written Content The sixth part focuses on Content Promotion leveraging diverse Digital Marketing channels both Organic and Paid An extra chapter deep dives into the process of setting up and managing personal websites without programming The book provides a step by step guide on the right way to launch any digital product E books Online Courses Podcasts and Written Content It removes the complication around monetising your content It will show you how best to come up with product ideas that people will be willing to pay for It will show you how to get your products on all the global platforms easily and get paid on them It will show you the process that goes into creating any form of a digital product
