**The Cambridge History of American Literature: Volume 2, Prose Writing 1820-1865** Sacvan Bercovitch, Cyrus R. K. Patell, 1994 This is the fullest and richest account of the American Renaissance available in any literary history The narratives in this volume made for a four fold perspective on literature social cultural intellectual and aesthetic Michael D Bell describes the social conditions of the literary vocation that shaped the growth of a professional literature in the United States Eric Sundquist draws upon broad cultural patterns his account of the writings of exploration slavery and the frontier is an interweaving of disparate voices outlooks and traditions Barbara L Packer s sources come largely from intellectual history the theological and philosophical controversies that prepared the way for transcendentalism Jonathan Arac s categories are formalist he sees the development of antebellum fiction as a dialectic of prose genres the emergence of a literary mode out of the clash of national local and personal forms Together these four narratives constitute a basic reassessment of American prose writing between 1820 and 1865 It is an achievement that will remain authoritative for our time and that will set new directions for coming decades in American literary scholarship

*The Emergence of Buddhist American Literature* John Whalen-Bridge, Gary Storhoff, 2009-06-11 The encounter between Buddhism and American literature has been a powerful one for both parties While Buddhism fueled the Beat movement s resounding critique of the United States as a spiritually dead society Beat writers and others have shaped how Buddhism has been presented to and perceived by a North American audience Contributors to this volume explore how Asian influences have been adapted to American desires in literary works and Buddhist poetics or how Buddhist practices emerge in literary works Starting with early aesthetic theories of Ernest Fenollosa made famous but also distorted by Ezra Pound the book moves on to the countercultural voices associated with the Beat movement and its friends and heirs such as

Ginsberg Kerouac Snyder Giorno Waldman and Whalen The volume also considers the work of contemporary American writers of color influenced by Buddhism such as Maxine Hong Kingston Charles Johnson and Lan Cao An interview with Kingston is included *The Oxford Companion to American Literature* James David Hart,1948 **A History of British, Irish and American Literature** Hans-Peter Wagner,2021-10-04 The third revised and enlarged edition contains discussions of British Irish and American literary works up to 2020 Focussing on outstanding writings in prose poetry drama and non fiction the book covers the time from the Anglo Saxon period to the 21st century The feature that makes this literary history unique among its rivals is the coverage of television web series as a particular form of postmodern drama The chapters on recent drama now contain detailed analyses of the development of TV and web series from Britain Ireland and America with extensive discussions of those series now considered classics In addition there are several major innovative features To begin with each century is introduced by a survey of the socio political and cultural backgrounds in which the literary works are embedded Furthermore extensive visual material more than 160 engravings cartoons and paintings has been integrated This visual aspect as well as the introductory sections on art for each century give the reader an excellent idea of the symbiosis between visual and literary representations Further innovative aspects include discussions of non fictional works from literary criticism and theory travel writing historiography and the social sciences analyses of such popular genres as crime fiction science fiction fantasy the Western horror fiction and children s literature footnotes explaining technical and historical terms and events a detailed glossary of literary terms chronological tables for British Anglo Irish and American literatures an updated cut off date 2020 extensive bibliography containing suggestions for further reading **Putnam's Monthly Magazine of American Literature, Science and Art** ,1854 The American Idea of England, 1776-1840 Jennifer Clark,2016-04-01 Arguing that American colonists who declared their independence in 1776 remained tied to England by both habit and inclination Jennifer Clark traces the new Americans struggle to come to terms with their loss of identity as British and particularly English citizens Americans attempts to negotiate the new Anglo American relationship are revealed in letters newspaper accounts travel reports essays song lyrics short stories and novels which Clark suggests show them repositioning themselves in a transatlantic context newly defined by political revolution Chapters examine political writing as a means for Americans to explore the Anglo American relationship the appropriation of John Bull by American writers the challenge the War of 1812 posed to the reconstructed Anglo American relationship the Paper War between American and English authors that began around the time of the War of 1812 accounts by Americans lured to England as a place of poetry story and history and the work of American writers who dissected the Anglo American relationship in their fiction Carefully contextualised historically Clark s persuasive study shows that any attempt to examine what it meant to be American in the New Nation and immediately beyond must be situated within the context of the Anglo American relationship American Literature in Transition, 1950-1960 Steven Belletto,2017-12-28 American Literature in Transition 1950 1960 explores the

under recognized complexity and variety of 1950s American literature by focalizing discussions through a series of keywords and formats that encourage readers to draw fresh connections among literary form and concepts institutions cultures and social phenomena important to the decade The first section draws attention to the relationship between literature and cultural phenomena that were new to the 1950s The second section demonstrates the range of subject positions important in the 1950s but still not visible in many accounts of the era The third section explores key literary schools or movements associated with the decade and explains how and why they developed at this particular cultural moment The final section focuses on specific forms or genres that grew to special prominence during the 1950s Taken together the chapters in the four sections not only encourage us to rethink familiar texts and figures in new lights but they also propose new archives for future study of the decade
