A. Write Main English colonies, ideas about the role and shape of government influenced the growth of the colonies, the laws that (influenced) and the system of government that later today.

1. English, Colonial, customs and administrative from British lawmakers are important contributions to the founding principles and development of the United States.

2. The principle that a government system should absolutely derive from the Magna Carta, which the English people have long regarded as a guarantee of English, government.

3. The English Bill of Rights and other documents that increasingly and ultimately established the concept applied to them and gave them the same rights as people living in Britain.

4. The English system of law, especially as organized by the British Parliament, was widely followed in the colonies.

5. British Parliament, with delegates representing the people, was a familiar example of representative, government, but they criticized it.

6. Thomas Hobbes developed the Social, Contract, theory, which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have natural, rights, as human beings and a government that failed to protect them has lost its legitimacy.

8. John Locke believed in life, liberty, property, and that people have and have no responsibility to a government except as a necessary response to a social contract to protect their rights while creating law and government.

9. Charles-Louis de Montesquieu suggested separation, the powers of government.

10. Main idea: Each of the thirteen colonies had its own government consisting
