Humanities ,1996 100 Ideas for Assemblies: Primary School Edition Fred Sedgwick,2006-10-09 This title contains one hundred ideas for assemblies in the primary school suitable for ages 5 to 11 Some assemblies will be religious and some will be secular the former will contain stories from many religious traditions Each assembly will carry an element of surprise a story or a poem and an element of prayer or reflection **Learn at Home** American Education,1999-05 Total curriculum guide to teach your child at home Cover *Teach! Change! Empower!* Carl A. Grant,2009-08-25 The achievement gap illustrates restricted life chances and choices for many students and only by addressing these inequities can we enable all learners to reach their fullest potential Teach Change Empower provides a powerful step by step process for making the changes necessary to close the achievement gaps in your school The Literate Classroom Prue Goodwin,2010-12-16 Now in its third edition The Literate Classroom offers essential information and advice from leading experts about the teaching of primary English to students NQTs and less confident teachers of literacy Presenting a range of refreshing and challenging viewpoints from experienced classroom practitioners this book describes how the theory behind key areas of literacy teaching can be transformed into realistic learning experiences within the classroom Split into five sections this book outlines effective measures in inspiring children to become confident with all aspects of literacy through speaking and listening creative approaches to reading and writing and new experiences with poetry and drama This fully updated edition includes shared and guided reading and writing guidance on literacy teaching with EAL pupils comprehension through response to children s literature working with drama ICT poetry and language study new chapters on speaking and listening reading aloud to children and children s development as independent readers This accessible and informative collection is a must have for all trainee and practising teachers as well as teaching assistants and support workers looking to enhance literacy learning in the primary classroom **Diversity and Multiculturalism** Shirley R. Steinberg,2009 This reader demands that

we understand diversity and multiculturalism by identifying the ways in which curriculum has been written and taught and by redefining the field with an equitable lens freeing it from the dominant cultural curriculum The book problematizes the issue of whiteness for instance as not being the opposite of blackness or person of color but rather a meta description for our dominant culture Issues are also addressed that are usually left out of the discussion about diversity and multiculturalism this reader includes essays on physical diversity geographic diversity and difference in sexualities This is the quintessential collection of work by critical scholars committed to redefining the conversation on multiculturalism and diversity

Literacy, Libraries and Learning Ray Doiron, Marlene Asselin, 2005 The school library has changed dramatically Today it is a portal to a world of learning that includes traditional books digital resources and online environments As the importance of information and communication technologies grows teachers and teacher librarians hold the key to creating powerful learning opportunities that help students function more effectively This comprehensive guide discusses the changing responsibilities of classroom teachers and teacher librarians in helping students become better readers writers and researchers It offers suggestions for re inventing the school library by offering a better and more current selection of resources instilling students with the reading habit and supporting them in these key areas promoting reading for learning and pleasure improving critical literacy skills when using information from many sources encouraging research methods that respect copyright and lead to original work designing information tasks to help students work effectively with data developing better informational text structures that increase comprehension encouraging the integration of emerging technologies and traditional resources Literacy Libraries and Learning argues that using diverse learning resources can improve literacy achievement It shows teachers and teacher librarians how to turn their schools into first rate learning environments and their students into lifelong learners
