E-Commerce Fundamentals Dr. Dinesh G. Harkut, Dr. Kashmira N. Kasat, 2025-10-06 This book E Commerce Fundamentals A Concise Guide for Beginners has been carefully designed with undergraduate students particularly engineering learners in mind Over the years of our teaching and research experience we have observed a growing need for a comprehensive yet concise academic resource that introduces the essential principles of e commerce while also highlighting its practical relevance Most existing literature either approaches the subject from a purely business standpoint or look into highly technical perspectives Our intent has been to bridge this gap by presenting a text that is conceptually strong practically relevant and student friendly

Transition Point: From Steam to the Singularity Sean A. Culey, 2018-11-06 We live in disruptive times The world is changing faster than ever before leaving people dazed businesses struggling economies floundering and societies fracturing But why Transition Point is the

result of over five years of research to establish the answer a breathtaking tale of freedom unintended consequences and disruptive technologies that starts 1000 years ago and ends up in the second half of the 21st Century Starting with an examination into the drivers of technological change and the social economic and political factors that both enable or suppress it Transition Point explains why industrialisation happened where and when it did why progress comes in waves and why the technologies in the current wave such as robotics blockchain and AI are likely to be the most disruptive of all It then addresses the million dollar question what's next What impact will this wave have on our businesses our economies and most importantly on our society Culey explores how our current trajectory could result in a new golden age but also how it is just as likely to result in a digital dictatorship of compliance and constant surveillance Finally he explains why we may soon see Homo sapiens role as the dominant species come to an end As Klaus Schwab founder of the World Economic Forum stated We stand on the brink of a technological revolution that will fundamentally alter the way we live work and relate to one another In its scale scope and complexity the transformation will be unlike anything humankind has experienced before Transition Point explains why this is happening what it means and why the decisions we make now will prove to be critical

eBay vs Amazon Ethan Patel, AI, 2025-02-12 eBay vs Amazon explores the divergent paths of two e-commerce giants revealing key insights into business models strategic decisions and the evolving consumer landscape The book contrasts eBay's auction-based marketplace with Amazon's direct sales approach highlighting how these distinct models have shaped their competitive advantages It examines how each company adapted or failed to adapt to technological advancements and shifting consumer preferences providing valuable lessons for anyone seeking to understand e-commerce dynamics or launch an online business The book traces the origins of both companies analyzes their strengths and weaknesses and assesses their current standing in the e-commerce ecosystem It emphasizes the unique aspects of each company such as eBay's community-centric approach and Amazon's operational excellence By examining real-world case studies and incorporating diverse perspectives the book offers a balanced and nuanced analysis of the eBay Amazon rivalry demonstrating how their strategies impact the broader themes of business management and consumer behavior
