Ambivalent Europeans Ritual Memory And The Public Sphere In Malta:

Ambivalent Europeans Jon P. Mitchell, 2001-10 *Ambivalent Europeans* examines the implications of living on the fringes of Europe In Malta public debate is dominated by the question of Europe both at a policy level whether or not to join the EU and at the level of national identity whether or not the Maltese are European Jon Mitchell identifies a profound ambivalence towards Europe and also more broadly to the key processes of modernisation He traces this tendency through a number of key areas of social life gender the family community politics religion and ritual *Ambivalent Europeans* Jon P. Mitchell, 2012-11-12 *Ambivalent Europeans* examines the implications of living on the fringes of Europe In Malta public debate is dominated by the question of Europe both at a policy level whether or not to join the EU and at the level of national identity whether or not the Maltese are European Jon Mitchell identifies a profound ambivalence towards Europe and also more broadly to the key processes of modernisation He traces this tendency through a number of key areas of social life gender the family community politics religion and ritual *The Europeanisation of Party Politics in Malta* Jean Claude Cachia, 2023-02-21 This book examines the Europeanisation of party politics in Malta It evaluates the influence of Europeanisation on the political system which is based on two party system polarisation and clientelism Malta is the smallest European Union EU member state which joined the EU in 2004 The road toward membership was fraught with contentious and emotionally charged debates This book explores the relationship between Maltese political parties and the EU the politicisation and framing of the European Union by political parties and the impact of the European Union on Malta s political system The book further discusses more contentious recent events which made headlines at the EU level including the Panama Papers scandals the Individual Investment Programme and the assassination of journalist Daphne Caruana Galizia The book will appeal to students scholars and researchers of political science and international relations interested in a better understanding of electoral studies Europeanisation European integration as well as the Maltese political system and party politics *Crafting Contemporary Pagan Identities in a Catholic Society* Kathryn Rountree, 2016-05-13 Contemporary western Paganism is now a global religious phenomenon with Pagans in many parts of the world sharing much in common from a nature revering worldview and lifestyle to a host of chants invocations ritual tools and magical practices But there are also locally specific differences Local religious contexts landscapes histories traditions politics values and norms all impact on local Paganisms This is nowhere more evident than in a strongly Catholic society where religion and culture are deeply entwined Taking the Mediterranean society of Malta as a case study this book invites readers inside the world of a small hidden sub culture Showing what it is like being Pagan in a society where the vast majority of the population is Roman Catholic and Catholicism permeates every sphere of public and domestic social and political life Rountree reveals that Paganism here is a unique brew of indigenous and global influences Pagans employ both creativity and borrowing in constructing identities within a cultural context characterized by antagonism as well as continuity This book explores the

intersections of religious and cultural identity the global and local Paganism and Christianity with insights grounded in rich ethnographic detail based on long term fieldwork Rountree makes invaluable comparisons with other studies of modern Pagans and their various worlds *Conviviality in Burgaz* Deniz N. Duru, 2024-03-22 This open access book tells stories of conviviality solidarity and everyday management of conflicts and tensions by building on original long term ethnographic research fourteen months in 2009 2010 followed by fieldwork trips until now on Burgaz an island home to more than twenty ethnic and religious groups from different socio economic backgrounds The island provides an excellent case study of post Ottoman conviviality as the homogenisation process during the nation building stage of modern Turkey triggered migrations from the island especially of non Muslims yet the island s population retains elements of its Byzantine and Ottoman diversity The book explores the islanders representation of diversity through ethnographic research media analysis and interviews and shifts the analytical framework of Post Ottoman plurality from coexistence toleration to that of conviviality The author critically engages with the literature on multiculturalism and cosmopolitanism and conceptualises conviviality as both living together in diversity as shared ways of living as well as living with difference The book further explores the relationship between conviviality solidarity coexistence toleration intolerance and nationalism This is an open access book **Extended Reality in Culture and Creative Industries** Almir Peštek, Selma Rizvić, Sanda Soucie, 2025-09-02 From virtual museums that transport visitors to distant historical eras to augmented reality installations that merge digital art with physical spaces the book uncovers a myriad of innovative applications within the fields of design media fashion gaming and more

Thinking Through Images Christopher Tilley, 2021-10-13 This book provides a general self reflexive review and critical analysis of Scandinavian rock art from the standpoint of Chris Tilley s research in this area over the last thirty years It offers a novel alternative theoretical perspective stressing the significance of visual narrative structure and rhythm using musical analogies putting particular emphasis on the embodied perception of images in a landscape context Part I reviews the major theories and interpretative perspectives put forward to understand the images in historical perspective and provides a critique discussing each of the main types of motifs occurring on the rocks Part II outlines an innovative theoretical and methodological perspective for their study stressing sequence and relationality in bodily movement from rock to rock Part III is a detailed case study and analysis of a series of rocks from northern Bohuslän in western Sweden The conclusions reflect on the theoretical and methodological approach being taken in relation to the disciplinary practices involved in rock art research and its future **Corruption** Dieter Haller, Cris Shore, 2005-05-20 Corruption in politics and business is after war perhaps the greatest threat to democracy Academic studies of corruption tend to come from the field of International Relations analysing systems of formal rules and institutions This book offers a radically different perspective it shows how anthropology can throw light on aspects of corruption that remain unexamined in international relations The contributors reveal how corruption operates through informal rules personal connections and the wider social contexts that govern

everyday practices They argue that patterns of corruption are part of the fabric of everyday life wherever we live and subsequently they are often endemic in our key institutions The book examines corruption across a range of different contexts from transitional societies such as post Soviet Russia and Romania to efforts to reform or regulate institutions that are perceived to be potentially corrupt such as the European Commission The book also covers the Enron and WorldCom scandals the mafia in Sicily and the USA and the world of anti corruption as represented by NGOs like Transparency

International **The Politics of Regional Identity** Michelle Pace,2005-09-20 Focusing on the politics of representation and constructions of identity the author analyses the impact of European regionalism on the Mediterranean **Malta in the European Union** Mark Harwood,2016-05-13 Malta has bucked the trend of its EU Mediterranean neighbours in many ways This smallest of EU states barely dipped into recession during the global financial crisis and remains a stable member of the Eurozone whilst also having one of the lowest infringement rates and highest transposition of EU law records amongst the 28 member states Providing the first comprehensive study of Malta s complex road to EU membership this book looks at the impact of membership on the country s political structures and processes and explains the principal factors that have conditioned the country s Europeanization experience Reflecting Malta s unique and often contentious road to membership the book explores the historical context and outlines how Maltese processes and policies have changed since membership and whether a causative link exists between these changes and Malta s membership of the EU A wide range of primary and secondary sources facilitate the study complemented by a series of interviews with a broad range of Malta s political and social actors as well as individuals from EU institutions This depth of analysis enables a holistic view of Malta s first decade of EU membership and helps establish the fundamental characteristics of Malta s unique Europeanization experience

Kaleidoscopic Odessa Tanya Richardson,2008-01-01 Kaleidoscopic Odessa provides a detailed account of how local conceptions of imperial cosmopolitanism shaped the city s identity in a newly formed state *The Grecanici of Southern Italy* Stavroula Pipyrou,2016-09-13 In this groundbreaking ethnography of fearless governance Stavroula Pipyrou shows how Grecanici the Greek linguistic minority of Calabria Southern Italy have crafted the means to invert hegemonic culture and participate in the power games of minority politics on local and national scales **The Anthropology of Catholicism**
