Integrating Predation Risk Across Scales: From Neurons to Ecosystems and Milliseconds to Generations Jacqueline Jeannette Blundell, Evan Preisser, 2020-06-04      Recalibrating teacher training in African higher education institutions Sifiso Sibanda, Gideon (Deon) P. van Tonder, Washington T. Dudu, 2023-03-01 This book critically examines the role of governments in promoting parity during and in post pandemic education This comes from the realisation that the pandemic has deepened the crisis by depleting the meagre resources that African countries might have devoted to normative educational practices where those on the margins would have been pushed further behind while the privileged would have been further initiated into the cultural and capital flows of private schools and historically research intensive institutions of higher learning This has far reaching implications for the education of underprivileged citizens and education particularly modes and modalities of delivery has to be reimaged to subvert the challenges wrought by the pandemic This book significantly bridges the gap between the pre and post COVID 19 pandemic pedagogical practices and the erstwhile modalities that have been resilient over time The book focuses on ways to stave off pedagogical challenges that face countries as the global pandemic makes its mark      Open and Distance Learning in Secondary School Education in India Jyotsna Jha, Neha Ghatak, Puja Minni, Shobhita Rajagopal, Shreekanth Mahendiran, 2019-11-19 This book examines the state of the Open and Distance Learning ODL based secondary education in India ODL based education has been a key resource for children in India who can neither cope with nor avail of regular schooling opportunities due to economic health and disability or other constraints The volume uses large scale empirical data collected from various Indian states and a sensitive theoretical framework to study the equity efficiency and effectiveness of the National Institute of Open Schooling NIOS and the State Open School SOS Highlighting the roadblocks and barriers in terms of its reach inclusion and delivery particularly to the marginalised this book explores whether ODL has a potential of being a sustainable and effective option at the secondary and senior secondary level in India Thus it seeks to generate policy discourse around delivery mechanisms and effectiveness of ODL in developing countries First of its kind this comprehensive volume will be useful for scholars and researchers of education education policy public policy and political studies      **Coping With Environmental Fluctuations: Ecological and Evolutionary Perspectives** Sylvain Giroud, Julia Nowack, Kenneth B. Storey, Andreas Nord, 2020-12-24 This eBook is a collection of articles from a Frontiers Research Topic Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series they are collections of at least ten articles all centered on a particular subject With their unique mix of varied contributions from Original Research to Review Articles Frontiers Research Topics unify the most influential researchers the latest key findings and historical advances in a hot research area Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office frontiersin.org about contact      **Innovating Counseling for Self- and Career Construction** Jacobus Gideon (Kobus) Maree, 2020-06-29 This book sets out to provide context for

innovating counseling for self and career construction It gives readers insight into the theory underlying an innovative integrative qualitative quantitative approach to career counseling Three key ideas recur throughout the book First the idea of not dispensing advice to people instead enabling them to advise themselves Second the idea of listening for instead of to people s stories to help them choose and construct careers and themselves and shape their career identities Third the idea of helping people connect what they know about themselves consciously with what they are aware of subconsciously The book confronts some of the main challenges posed by Work 4 0 on the workplace but also foreshadows the imminent advent of Work 5 0 It endeavors to promote career counselors ability to help people thrive at a time when many speculate that work itself is at risk occupational contexts no longer hold workers in the way they used to and the coronavirus pandemic is disrupting the workplace
