Branding Black Womanhood Timeka N. Tounsel,2022-06-17 CaShawn Thompson crafted Black Girls Are Magic as a proclamation of Black women s resilience in 2013 Less than five years later it had been repurposed as a gateway to an attractive niche market Branding Black Womanhood Media Citizenship from Black Power to Black Girl Magic examines the commercial infrastructure that absorbed Thompson s mantra While the terminology may have changed over the years mainstream brands and mass media companies have consistently sought to acknowledge Black women s possession of a distinct magic or power when it suits their profit agendas Beginning with the inception of the Essence brand in the late 1960s Timeka N Tounsel examines the individuals and institutions that have reconfigured Black women s empowerment as a business enterprise Ultimately these commercial gatekeepers have constructed an image economy that operates as both a sacred space for Black women and an easy hunting ground for their dollars Relics of War Jennifer Raab,2024-09-10 How a single haunting image tells a story about violence mourning and memory In 1865 Clara Barton traveled to the site of the notorious Confederate prison camp in Andersonville Georgia where she endeavored to name the missing and the dead The future founder of the American Red Cross also collected their relics whittled spoons woven reed plates a piece from the prison s dead line a tattered Bible and brought them back to her Missing Soldiers Office in Washington DC presenting them to politicians journalists and veterans families before having them photographed together in an altar like arrangement Relics of War reveals how this powerful image produced by Mathew Brady opens a window into the volatile relationship between suffering martyrdom and justice in the wake of the Civil War Jennifer Raab shows how this photograph was a crucial part of Barton s efforts to address the staggering losses of a war in which nearly half of the dead were unnamed and from which bodies were rarely returned home for burial The Andersonville relics gave form to these absent bodies offered a sacred site for grief and devotion mounted an appeal on behalf of the women and children left behind and testified to the crimes of war The story of the photograph illuminates how military sacrifice was racialized as political reconciliation began and how the stories of Black soldiers and communities were silenced Richly illustrated Relics of War vividly demonstrates how one photograph can capture a precarious moment in history serving as witness advocate evidence and memory **Automotive News** ,2000 **The Architect** ,1872 **Congressional Record** United States.
