Alice Au Pays Du Langage Pour Comprendre La Linguistique

Chantal Dupas

Alice Au Pays Du Langage Pour Comprendre La Linguistique:

Alice au pays du langage Marina Yaguello, 1981 Marina Yaguello part de l'idée que tout locuteur exerce une activité métalinguistique miconsciente et que le jeu est un domaine privilégié où saisir les règles du langage. Elle a le mérite de fournir l'enseignant en linguistique des exemples tirés d'un corpus familier exploitant surtout les œuvres de Lewis Carroll mais aussi de Queneau d'Ionesco de la bande dessinée etc. Les théories de Jakobson de Saussure ou de Benveniste sont ainsi revivifiées par une réflexion qui interroge la littérature comme une preuve des mécanismes de la langue. Stimulant Alice au pays du langage - Pour comprendre la linguistique Marina Yaguello, 2019-10-31 T00:00:00+01:00 Jouer avec le langage c'est en violer les règles la norme c'est tirer parti de ses points faibles de l'ambiguïté de l'homophonie. Mais calembours et contrepéties mots valises charades slogans comptines manifestent tout autant et même plus que le discours conforme la norme la compétence linguistique des sujets parlants. Ne peut jouer de et avec la langue que celui qui la possède fond. Le jeu la déviance poétique sont sous tendus par une analyse linguistique inconsciente qui fait de tous les locuteurs des linguistes qui s'ignorent. La linguistique est une chose trop sérieuse pour être confiée aux seuls linguistes et c'est là Alice de Lewis Carroll qui ouvre ici au lecteur la voie d'une réflexion non conformiste sur le langage conduisant un exposé des thèmes majeurs de la linguistique. On peut tout apprendre du langage en général et des langues en particulier travers l'humour le jeu la poésie. Telle est la conviction qui porte ce livre il propose aux non spécialistes une introduction inattendue mais rigoureuse la science du langage.

Semiotics and Linguistics in Alice's Worlds Rachel Fordyce, Carla Marengo, 2012-05-02 No detailed description available for Semiotics and Linguistics in Alice's Worlds *Bibliography of Semiotics, 1975-1985* Viktoria Eschbach-Szabo, 1986-01-01 This bibliography of semiotic studies covering the years 1975-1985 impressively reveals the world wide intensification in the field. During this decade national semiotic societies have been founded all over the world a great number of international national and local semiotic conferences have taken place the number of periodicals and book series devoted to semiotics has increased as has the number of books and dissertations in the field. This bibliography is the result of a dedicated effort to approach complete coverage. **Perception et langage** Chantal Dupas, 1997 Peeters 1997

Traductio Dirk Delabastita, 2016-04-08 Nothing like wordplay can make difference between languages look so uncompromising can give such a sharp edge to the dilemma between forms and effects can so blur the line between translation and adaptation or can cast such harsh light on our illusion of complete semantic stability. In the pun the whole language system may resonate and so may literary traditions and ideological discourses. It follows that the pun does not only put translators to the test it also poses a challenge to the views and concepts of those who study translation. This book brings together experts on translation and the pun as well as researchers representing a variety of other relevant disciplines and schools of thought ranging from theology to deconstruction and from contrastive linguistics to feminism. It can be read as a companion volume to Wordplay and Translation a special issue of The Translator Volume 2 Number 2 1996 also edited by
