Abuse of social constructs with the help of factions in Veronica Roth's "The Divergent" Sarah Bukowski, 2022-03-07 Seminar paper from the year 2019 in the subject English Language and Literature Studies Literature grade 2 7 Ernst Moritz Arndt University of Greifswald Anglophone Literaturwissenschaft language English abstract In the following I will show and analyze the system of the factions in The Divergent by Verona Roth and its abuse ruled by the government as well as the system of the factions I will consider how the factions interact The relationships between and within the factions are important aspects too My term paper should prove that the social construct of society is abused by the government Veronica Roth has written a trilogy of this dystopian novel They are called firstly The Divergent 2011 secondly The Insurgent 2012 and thirdly The Allegiant 2013 My primary source for this paper will be the first edition The Divergent so that I can get more into depth while analyzing Involving all books would exceed the frame of the paper Moreover I will use public journals newspaper and secondary literature to underline the relevance of the topic for

society in recent years I will also use the novel *The Hunger Games* 2012 written by Suzanne Collins in some cases to find similarities and differences in dystopian young adult fiction literature The government abuses its power to control the majority of the population in the fictional future city Chicago Protagonist in the novel is Beatrice Prior who will take the main space for my citations and arguments in this paper Her thoughts and actions represent the power and discipline that young adults can show in this case in literature
