Religious Inquirer and Gospel Anchor ,1835 *Bible Doctrines of the New Testament* Chu Bishop Payne, 2005-07-01 Man s explanation of himself lies not in man but in God At the very end or bottom of the line of all our solutions as mankind in this present world and eternity is theological and spiritual Thus the solutions and answers of mankind are spiritual and found in scripture God s offers in His church doctrine the pillars of life for us We were made for eternity and there is nothing temporal that can satisfy our eternal need The true New Testament Church now stands as man final solutions in its Theology True Christian theology is the Word of God and is remotely a teaching not bound by time or space and incomparable to any other teaching of truth Doctrine is the guide for indoctrination We cannot read hardly any text in the early church s teaching either from Christ or His apostles without realization of truth unveiled for us to understand the will of God through doctrinal truth Christian doctrine means literally teaching or instruction and may be defined as the fundamental truths of the Bible arranged in systematic form A study of doctrine is also called theology Theology is also a treatise or reasoned discourse about God Theology or doctrine may be described as the science which deals with our knowledge of God and His relations to man It is a science because it is a systematic and a logical study arrangement of certified facts Sometimes doctrine is set forth as a dogma in the church As a dogma doctrinal teaching is the church s statement of the truth placed in a church s creed There must be doctrine for the body of ministry in Christ to know its foundations teachings faith order etc The Apostles as headship in the church warned against underdeveloped believers They warned against ignorance indifference coldness apathy sin and the failures to live up to the Lord s commands in His
