All Or Nothing A Love By Design Novel:

All Or Nothing Kendall Ryan, 2014-09-09 You've met Ben Shaw. Now meet Braydon Kincaid, the devil-may-care male model who nearly stole the show in *Working It* by New York Times bestselling author Kendall Ryan. As one of the world's most sought-after male models, Braydon is no stranger to the finer pleasures in life. The last thing he wants to do is limit himself, especially when it comes to women. His best friend Ben might've settled down, but Braydon doesn't want to waste his youth on the messy complications of commitment. He wants fun. He wants easy. Ellie isn't looking for a casual relationship, but her tough and sassy personality instantly attracts Braydon, who proposes a friends-with-benefits arrangement. Unable to resist the powerful pull of the charming bad boy, Ellie eventually relents, though she longs for all-consuming love. As the two spend more time together, Ellie soon realizes that Braydon's posing skills extend off the runway. His carefully crafted facade masks a secret hurt that he's reluctant to share with Ellie, even as they embark on a passionate affair that sends them hurtling toward a fate neither expected. Can Ellie risk her heart while she waits for Braydon to let her in, or will she be forced to demand all or nothing?

Love By Design Judith Keim, 2023-08-22 Keeping a family promise can be the beginning of a whole new life for everyone in town. Danielle Dani Gilford eagerly accepts her share of the gift of a cottage on the property of the Lilac Lake Inn in the Lakes Region of New Hampshire. Her grandmother Gigi has decided to sell the inn after realizing it's too difficult to run as she ages and with rising taxes. Dani and her two sisters, Whitney and Taylor, must renovate and maintain the cottage and live there at least six months of each year as a means of helping Gigi keep a vow to hold onto as much of the family property as possible. The first person that Dani meets when she returns to the lake is Brad Collister, who, with his brother, has been hired to renovate the inn for the new owners. His brother Aaron is as attractive as Brad, but life with the brothers is complicated. Brad is still grieving for his wife, who died two years ago from cancer, and Aaron's interest lies with the business. And after working in Boston at an architectural design firm where the men in the office do everything they can to keep her from getting recognition for the work she does, the last thing Dani is looking for is a man. But the little town of Lilac Lake is full of interesting people and surprises await Dani as she and her sisters work together to keep a promise to their grandmother, and Dani discovers new possibilities for herself about life and love. Another of Judith Keim's series books celebrating love and families, strong women meeting challenges and clean women's fiction with a touch of romance, beach reads for all ages with a touch of humor, satisfying twists and happy endings.
