Source The other two scenes were entrusted to the young L o Delibes thirty at the time who had drawn favourable attention to himself in the preparation of the ballet music for the premi re of Meyerbeer s posthumous L Africaine in 1865 The first performance of La Source on 12 November 1866 was great success for Delibes whose bold and colourful composition was praised at the expense of Minkus s subtler contribution Saint L on immediately began planning another work with Nutter and Delibes and one which would crown the young French s composer s success with triumph Copp lia Saint L on nevertheless continued to work with Minkus despite his busy engagements in Paris The choreographer s greatest ballet for Russia was his work with Cesare Pugni Koniok Gorbunok The Little Humpbacked Horse 1864 based on a Russian fairytale He now tapped into the same folk material in a new work with Minkus Zolotaya rybka The Golden Fish based on Alexander Pushkin s Legend of the fisher and the little fish On 20 November 1866 for the celebration of the Tsarevitch s wedding Saint L on oversaw the production of a one act version of this new ballet Le Poisson dor at the Bolshoi Kamenny Theater in St Petersburg The work was then developed as a three act ballet for the same theater a year later 8 October 1867 Minkus s music was very well received As with La Source it was carefully adapted in form and mood to the scenario remarkable for its panache and beautiful writing for solo instruments violin flute cello cornet and for reflecting the nature of the fairytale scenario in the appropriation of national folk styles Polish Kazak Cossack The score was considered worthy of full publication in piano reduction by the St Petersburg house of Stollowsky c 1870 and is reproduced here The last collaboration between Minkus and Saint L on followed two years after that a partial arrangement of La Source given in St Petersburg as Liliya Le Lys in 1869
