East Texas Troubles Jody Edward Ginn,2019-07-11 When the gun smoke cleared four men were found dead at the hardware store in a rural East Texas town But this December 1934 shootout was no anomaly San Augustine County had seen at least three others in the previous three years and these murders in broad daylight were only the latest development in the decade long rule of the criminal McClanahan Burleson gang Armed with handguns Jim Crow regulations and corrupt special Ranger commissions from infamous governors Ma and Pa Ferguson the gang racketeered and bootlegged its way into power in San Augustine County

where it took up robbing and extorting local black sharecroppers as its main activity After the hardware store shootings white community leaders formerly silenced by fear of the gang s retribution finally sought state intervention In 1935 fresh faced newly elected governor James V Allred made good on his promise to reform state law enforcement agencies by sending a team of qualified Texas Rangers to San Augustine County to investigate reports of organized crime In East Texas Troubles historian Jody Edward Ginn tells of their year and a half long cleanup of the county the inaugural effort in Governor Allred s transformation of the Texas Rangers into a professional law enforcement agency Besides foreshadowing the wholesale reform of state law enforcement the Allred Rangers investigative work in San Augustine marked a rare close collaboration between white law enforcement officers and black residents Drawing on firsthand accounts and the sworn testimony of black and white residents in the resulting trials Ginn examines the consequences of such cooperation in a region historically entrenched in racial segregation In this story of a rural Texas community s resurrection Ginn reveals a multifaceted history of the reform of the Texas Rangers and of an unexpected alliance between the legendary frontier lawmen and black residents of the Jim Crow South

Meinders, 2011-02-28 Together we can make a difference The big corporations have millions to sponsor programs that benefit the rich and corporate structure in America The American Citizens can band together and raise millions to support our policies By uniting and presenting our ideas to the candidates we will not be alone Each of us would be fighting a losing battle but together we can become a force that they will have to respect and listen to The American Citizens PAC will provide a complete listing of each and every one of the representatives in our government system That will include the 535 members of Congress and the President It will also

include the representatives in each individual state so that everyone can be emailed with our opinions If we decide to promote our policies instead of just saying to ourselves that our voice is only one and it will not make any difference Together we can make a major difference We can return the United States of America to the greatest country in the world and gain the respect of the world

"America Can Recover" Thomas R. Meinders,2011-02-28 America Can Recover from the past few years of reckless spending programs that the people have not endorsed Everyone needs to contact their representatives in the Congress and make it known what the American people want It is not too late if we take actions Remember if you dont voice your opinions for the changes you feel are correct then you become part of the problem instead of part of the solution We can accomplish our goal if we set our minds and efforts to the task We need to wake up the American voters while we still have some rights in this country Not only that we have the God given right to question the actions of the politicians that are making decisions in Washington We would be fools if we allow ourselves to blindly follow the politicians We were given brains and were meant to use them to think about the issued that affect our everyday lives in this country The uninformed uneducated and easily manipulated that are among us follow the line of thinking that has been presented to them by the leaders in Washington It is past time for the citizens of the United States to start realizing what has been happening and make some changes Fortunately it is still not too late
