Silverstein, 2023-09-19 From the dark ages the treatment of those mentally ill has progressed from chaining to a wall those afflicted with mental disturbance who never saw the light of day However in US emergency rooms our young people on the brink of despair are held hostage for psychiatric care We have been bound to the antiquated biomedical model of mental health care It is

fortunate that we as a society are experiencing a mental health crisis of enormous proportions currently only in the sense that we are beginning to hear a wake up call as we witness a total breakdown of our mental healthcare system regarding the mental stability of our youth and other groups of everyday people Healthcare professionals and societies are beginning to understand that mental health is integral to overall health and is more than the absence of symptoms of psychological distress The mastery important to us all includes the acquisition of the capacity to reflect to relate on a deep level with others emotionally and to empathize in the face of change or stressful situations Resilient young people who possess these qualities and the ability to wrestle through adversity when they have the skillsets to do so lead more successful lives when they know how to make lemonade out of lemons *Annual Catalog - United States Air Force Academy* United States Air Force Academy,1971 **Advances in Manufacturing Engineering and Materials II** Sergej Hloch,Dagmar Klichová, Frank Pude,Grzegorz M.
