

Sets of Numbers

- The **natural numbers** are the set of numbers used when counting; these are the numbers $\{1, 2, 3, 4, 5, \dots\}$.
- The **whole numbers** are the set of natural numbers and zero; these are the numbers $\{0, 1, 2, 3, 4, 5, \dots\}$.
- The **integers** are the set of whole numbers and their opposites; these are the numbers $\{\dots, -3, -2, -1, 0, 1, 2, 3, \dots\}$.
- The **rational numbers** are the set of numbers that can be expressed as a fraction of two integers, where the denominator is not zero. Rational numbers include the set of natural numbers, whole numbers, and integers.

EX: $-5, \frac{3}{4}, 0, 2, \sqrt{16}, 2\frac{1}{2}, 0.\overline{6}, 2.35$

- The **irrational numbers** are the set of numbers that cannot be expressed as a fraction of two integers.

EX: $\pi, e, \sqrt{3}, \sqrt[3]{10}$

- The **real numbers** are the set of rational numbers and irrational numbers.

EX: $-4, \pi, \frac{7}{8}, \sqrt{5}, \sqrt[3]{64}, 0.125, \sqrt[3]{25}, 0.\overline{7}$

- The **imaginary numbers** are the set of square roots of negative numbers, written in the form bi , where b is a nonzero real number and $i = \sqrt{-1}$.

EX: $-5i, i, 3i, \sqrt{-9}, -\sqrt{-100}$

- The **complex numbers** are the set of real numbers plus an imaginary number, written in the form $a + bi$, where a and b are real numbers and $i = \sqrt{-1}$.

EX: $9 + 2i, -6 + i, -4 - 3i, 7 - 6i, 5i$

Solving Equations

When you perform the same operation to each side of an equation, the result is a new equation that has the same solution. Equations that have the same solution(s) are equivalent equations.

Using the Addition Property of Equality

The **Addition Property of Equality** states that when the same number is added to equal numbers, the sums are equal.

RULE: If a, b , and c are any real numbers and $a = b$, then $a + c = b + c$.

EX: $2 + 7 = 2 + 7$

Applying this property to equations, when the same number is added to each side of an equation, the result is an equivalent equation.

EX: If $x = 3 + 11$, then $x + 3 + 3 = 11 + 3$, or $x = 14$

Using the Subtraction Property of Equality

The **Subtraction Property of Equality** states that when the same number is subtracted from equal numbers, the differences are equal.

RULE: If a, b , and c are any real numbers and $a = b$, then $a - c = b - c$.

EX: $12 - 8 = 12 - 8$

Applying this property to equations, when the same number is subtracted from each side of an equation, the result is an equivalent equation.

EX: If $y + 7 = 15$, then $y + 7 - 7 = 15 - 7$, or $y = 8$.

Using the Multiplication Property of Equality

The **Multiplication Property of Equality** states that when equal numbers are multiplied by the same number, the products are equal.

RULE: If a, b , and c are any real numbers and $a = b$, then $ac = bc$.

EX: $5 \cdot 4 = 5 \cdot 4$

Applying this property to equations, when both sides of an equation are multiplied by the same real number, the result is an equivalent equation.

EX: If $\frac{x}{6} = 3$, then $\left(\frac{x}{6}\right)6 = (3)6$, or $x = 18$

Using the Division Property of Equality

The **Division Property of Equality** states that when equal numbers are divided by the same nonzero number, the quotients are equal.

RULE: If a, b , and c are any real numbers, $c \neq 0$, and

$a = b$, then $\frac{a}{c} = \frac{b}{c}$

EX: $\frac{15}{3} = \frac{15}{3}$

Applying this property to equations, when both sides of an equation are divided by the same nonzero real number, the result is an equivalent equation.

EX: If $7x = 21$, then $\frac{7x}{7} = \frac{21}{7}$, or $x = 3$

Solving Multistep Equations

Some equations require more than one inverse operation to solve. The goal when solving a multistep equation is to isolate the variable (i.e., get it by itself). To do this, use the properties of equality. If there are like terms on one side of an equation, they should be combined before using the properties.

EX: Solve the equation $5x + 3x - 1 = 15$

- $5x + 3x - 1 = 15$
- $8x - 1 = 15$
- $8x - 1 + 1 = 15 + 1$
- $8x = 16$
- $\frac{8x}{8} = \frac{16}{8}$
- $x = 2$

- Original equation
- Combine like terms.
- Use the Addition Property of Equality to undo the subtraction and isolate the variable term.
- Simplify.
- Use the Division Property of Equality to undo the multiplication and isolate the variable.
- Simplify.

Variables on Both Sides

When an equation has variables on both sides, the objective is to get all variable terms on the same side of the equation by using either the Addition or Subtraction Property of Equality.

EX: Solve the equation $6m - 8 = 2m - 2m$

- $6m - 8 = 2m$
- $6m - 8 - 2m = 2m - 2m$
- $4m - 8 = 0$
- $4m - 8 + 8 = 0 + 8$
- $4m = 8$
- $\frac{4m}{4} = \frac{8}{4}$
- $m = 2$

- Original equation
- Use the Subtraction Property of Equality to move the variable term to one side.
- Simplify.
- Use the Addition Property of Equality to isolate the variable term.
- Simplify.
- Use the Division Property of Equality to isolate the variable.
- Simplify.

Solving Absolute Value Equations

The **absolute value** of a number is its distance from zero on the number line. Therefore, the equation $|x| = 4$ has two solutions, 4 and -4, since both have a distance of 4 units from zero on the number line.

To solve an equation $|x| = b$, where b is a positive number, solve the disjunction $x = b$ or $x = -b$.

EX: Solve the equation $|x + 7| = 3$

- $|x + 7| = 3$
- $x + 7 = 3$ or $x + 7 = -3$
- $x + 7 - 7 = 3 - 7$ or $x + 7 - 7 = -3 - 7$
- $x = -4$ or $x = -10$

- Original equation
- Write as a disjunction.
- Use the Subtraction Property of Equality on both equations to isolate the variable.
- Simplify.

Solving Inequalities

An **inequality** shows the relationship between two numbers or expressions. The solution of an inequality is the set of numbers that make the inequality true.

Addition & Subtraction Properties

The **Addition and Subtraction Properties of Inequality** state that adding or subtracting the same number on each side of an inequality produces an equivalent inequality.

If a, b , and c are real numbers, then the following are true:

Addition Property of Inequality: If $a > b$, then $a + c > b + c$; if $a < b$, then $a + c < b + c$.

Subtraction Property of Inequality: If $a > b$, then $a - c > b - c$; if $a < b$, then $a - c < b - c$.

Note that similar statements hold true for $\geq$ and $\leq$.

NUMERIC EXAMPLES

Addition Property of Inequality: Since $4 > 2$, then

$4 + 1 > 2 + 1$; since $3 < 5$, then $3 + 6 < 5 + 6$.

Subtraction Property of Inequality: Since $9 > 2$, then

$9 - 1 > 2 - 1$; since $4 < 7$, then $4 - 2 < 7 - 2$.

ALGEBRAIC EXAMPLES

Addition Property of Inequality: If $p - 3 < 11$, then

$p - 3 + 3 < 11 + 3$, or $p < 14$.

Subtraction Property of Inequality: If $x + 9 > 16$, then

$x + 9 - 9 > 16 - 9$, or $x > 7$.

Multiplication & Division Properties

The **Multiplication and Division Properties of Inequality** state that multiplying or dividing each side of an inequality by a positive number makes an equivalent inequality. These properties also state that multiplying or dividing each side of an inequality by a negative number and reversing the direction of the inequality symbol make an equivalent inequality.

Given a, b , and c are real numbers:

Where c is positive:	Where c is negative:
If $a < b$, then $ac < bc$	If $a < b$, then $ac > bc$
If $a > b$, then $ac > bc$	If $a > b$, then $ac < bc$

Note that similar statements hold true for $\geq$ and $\leq$.

NUMERIC EXAMPLES

Multiplication Property of Inequality:

Since $2 < 5$, then $2 \cdot 3 < 5 \cdot 3 = 15$; since $2 < 5$, then

$2 \cdot (-3) > 5 \cdot (-3)$.

Since $6 > 4$, then $6 \cdot 4 > 4 \cdot 4 = 16$; since $6 > 4$, then

$6 \cdot (-4) < 4 \cdot (-4)$.

Division Property of Inequality:

Since $4 < 6$, then $\frac{4}{2} < \frac{6}{2}$; since $4 < 6$, then $\frac{4}{-2} > \frac{6}{-2}$.

Since $9 > 3$, then $\frac{9}{3} > \frac{3}{3}$; since $9 > 3$, then $\frac{9}{-3} < \frac{3}{-3}$.

Algebra Study Guides

Reza Nazari

Algebra Study Guides:

Algebraic Equations (Speedy Study Guides) Speedy Publishing, 2014-05-04 Algebraic equations are a great tool for rationalizing almost any relationship in the real and unreal worlds. The incorporation of algebra allows anyone to relate any one thing to another using a defined and constant standard. Any question about the value of an object or idea can be assigned a variable title. This variable is inserted into a directed algebraic equation with the goal of ascertaining certain values. With algebraic equations, it is possible to compare oranges to apples as long as certain constant properties are defined. If X is the universe, Algebra can help anyone compare the universe to an infinite pool of values with any number of goals in mind.

Pre-Algebra Study Guide 2020 - 2021 Reza Nazari, Ava Ross, 2020-03-23 A Perfect book to help you prepare for the Pre Algebra Test. The Pre Algebra Study Guide is designed by top Algebra instructors and test prep experts to help test takers succeed on the Pre Algebra Test. The updated version of this comprehensive Pre Algebra preparation book includes Math lessons, extensive exercises, sample Pre Algebra questions and quizzes with answers and detailed solutions to help you hone your math skills, overcome your exam anxiety, boost your confidence, and do your best to ace the Pre Algebra exam on test day. Upon completion of this perfect Pre Algebra prep book, you will have a solid foundation and sufficient practice to ace the Pre Algebra test. Not only does this all-inclusive prep book offer everything you will ever need to prepare for the Pre Algebra test, but it also contains abundant skill-building exercises to help you check your exam readiness and identify where you need more practice. The Pre Algebra Study Guide contains many exciting and unique features to help you prepare for the Pre Algebra test, including content 100% aligned with the 2020 Pre Algebra test. Written by Algebra instructors and test experts, it provides complete coverage of all Pre Algebra concepts and topics which you will be tested on. Step-by-step guide for all Pre Algebra topics. Abundant Math skill-building exercises to help test takers approach different question types that might be unfamiliar to them. Exercises on different Pre Algebra topics such as integers, percent, equations, polynomials, exponents, and radicals. This Pre Algebra prep book and other Effortless Math Education books are used by thousands of students each year to help them review core content areas, brush up in math, discover their strengths and weaknesses, and achieve their best scores on the Pre Algebra test. Recommended by Test Prep Experts. Visit www.EffortlessMath.com for Online Math Practice.

Algebraic Equations (Speedy Study Guides) Speedy Publishing LLC, 2015-01-20 Algebra is a complex form of math that has been known to baffle adults and students alike. However, many adults no longer have to deal with algebra, but a lot of middle and high school students do. A study guide will help high school students to understand how to do algebra. They can also use it to practice and to develop their skills in this area of math.

Eureka Math Algebra II Study Guide Great Minds, 2016-08-15 The team of teachers and mathematicians who created Eureka Math believe that it's not enough for students to know the process for solving a problem; they need to know why that process works. That's why students who learn math with Eureka can solve real-world problems even those they have never encountered before. The Study Guides are a companion to the Eureka Math

program whether you use it online or in print The guides collect the key components of the curriculum for each grade in a single volume They also unpack the standards in detail so that anyone even non Eureka users can benefit The guides are particularly helpful for teachers or trainers seeking to undertake or lead a meaningful study of the grade level content in a way that highlights the coherence between modules and topics We re here to make sure you succeed with an ever growing library of resources Take advantage of the full set of Study Guides available for each grade PK 12 or materials at eureka math org such as free implementation and pacing guides material lists parent resources and more *ACT Math Study Guide* Reza Nazari,2021-04-28 Are you preparing for your ACT Math test Do you want to give yourself the best possible chance of succeeding Are you looking for assistance from a study guide designed by a top ACT Math expert Succeeding on any test means study and lots of it Poring over books for hours every day is one way of achieving your goals but there are other things that can assist you such as the ACT Math Study Guide which reflects the 2021 test guidelines and is a great tool for helping students to attain outstanding results With this ACT Math Study Guide you will find a comprehensive book that is tailored to your exact needs and provides you with extensive assistance with Math lessons Exercises Sample math questions Quizzes with answers Two complete math tests Content 100% aligned with the 2021 ACT test And lots more Written by an ACT Math instructor and test expert and covering everything you will need this is a book that has been designed specifically to help you hone your math skills overcome exam anxiety boost your confidence and do your best to ace the ACT Math on test day So if you want to give yourself the best possible chance of success scroll up click Add to Cart and get your copy now Ideal for self study and classroom usage [ACT Math Study Guide 2020 - 2021](#) Reza Nazari, A Perfect book to help you prepare for the ACT Math Test Successfully Used by Thousands of ACT Test Takers ACT Math Study Guide which reflects the 2020 2021 test guidelines is designed by top ACT Math instructors and test prep experts to help test takers succeed on the ACT Math Test The updated version of this comprehensive ACT Math preparation book includes Math lessons extensive exercises sample ACT Math questions and quizzes with answers and detailed solutions to help you hone your math skills overcome your exam anxiety boost your confidence and do your best to ace the ACT exam on test day Upon completion of this perfect ACT Math prep book you will have a solid foundation and sufficient practice to ace the ACT Math test Not only does this all inclusive prep book offer everything you will ever need to prepare for the ACT Math test but it also contains two complete and realistic ACT Math tests that reflect the format and question types on the ACT to help you check your exam readiness and identify where you need more practice ACT Math Study Guide contains many exciting and unique features to help you prepare for the ACT Math test including Content 100% aligned with the 2020 ACT test Written by ACT Math instructors and test experts Complete coverage of all ACT Math concepts and topics which you will be tested Step by step guide for all ACT Math topics Abundant Math skill building exercises to help test takers approach different question types that might be unfamiliar to them Exercises on different ACT Math topics such as integers percent equations polynomials exponents and radicals 2 full length

Algebra Study Guides Introduction

Algebra Study Guides Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Algebra Study Guides Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Algebra Study Guides : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Algebra Study Guides : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Algebra Study Guides Offers a diverse range of free eBooks across various genres. Algebra Study Guides Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Algebra Study Guides Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Algebra Study Guides, especially related to Algebra Study Guides, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Algebra Study Guides, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Algebra Study Guides books or magazines might include. Look for these in online stores or libraries. Remember that while Algebra Study Guides, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Algebra Study Guides eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Algebra Study Guides full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Algebra Study Guides eBooks, including some popular titles.

FAQs About Algebra Study Guides Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Algebra Study Guides is one of the best book in our library for free trial. We provide copy of Algebra Study Guides in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Algebra Study Guides. Where to download Algebra Study Guides online for free? Are you looking for Algebra Study Guides PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Algebra Study Guides. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Algebra Study Guides are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Algebra Study Guides. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Algebra Study Guides To get started finding Algebra Study Guides, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Algebra Study Guides So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Algebra Study Guides. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Algebra Study Guides, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Algebra Study Guides is available in our book collection an

online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Algebra Study Guides is universally compatible with any devices to read.
