Alicia Elle voulait simplement que ces parents l'aiment mais en essayant d'attirer leur attention sa vie est devenue de mal en pis L'auteur a un style différent qui une fois que vous vous y êtes habitués ce qui ne m'a pris que deux pages vous captivera page après page et ce jusqu'à la fin Laissez-vous surprendre votre tour en entrant vous-même dans la troisième dimension d'Alicia

Alicia to the Power of Three Adriano Justin Capuano, 2015-11-14 What if your daughter would suddenly stop speaking communicating with you and the world Read this very mysterious story to try and discover what is wrong with Alicia You will enjoy a plot full of suspense from the very first page through to the very last words of the very last page This book is written in a unique style that will put you at the heart of the action of this moving and intriguing story Will Alicia start to speak again The author is really thrilled to see that the vast majority of his readers are proving him right to persevere with his refreshing style as the very positive customer reviews on amazon.co.uk demonstrate INTRIGUING STYLE FROM A DARING NEW WRITER As a fan of quirky and original storylines Adriano's style doesn't disappoint Grabbing the reader from the start with a need to know Alicia's secret A fresh approach to combat some of today's mundane offerings An author to watch OUTSTANDING Exciting unsettling and technically brilliant He provides just that right of semi-realistic data to soothe the reader into a mood of acceptance and his poker face attitude towards the strange and improbable events which records is also exactly calculated I love this book as it is humane and urbane with a lightly sophisticated wit putting the ideas into shape As I said outstanding POWERFUL PSYCHOLOGICAL THRILLER Alicia is lonely and isolated her story is told through an interior monologue that draws you in In the form of Alicia the writer creates a powerful and convincing portrait of an emotionally and mentally disturbed child Devils and Demons are constantly lurking in the background Alicia's ethereal reality coupled with a steady dose of black humour means that this book is a must read that is difficult to put down A THOUGHT PROVOKING READ When I first started reading this I wasn't sure what to expect from the opening but found myself quickly becoming absorbed I was surprised by the turn of events as the story progressed and at times found them a little disturbing but this made the book all the more intriguing As I became drawn into Alicia's world I wanted to find out more and wished the book was longer definitely one to read GREAT BOOK The author has got a very different writing style to what I'm used to reading which makes this book extra special The story itself is well written and had me drawn into it from the word go and was hard to put down Looking forward to what happens next ORIGINAL AND FULL OF IMAGINATION I found this book very intriguing and unique One minute you think the mystery is solved the next all changes again I will keep an eye open for this author in the future what will he write next DIFFERENT AND GRIPPING I really felt for Alicia She just wanted her parents to love her but in trying to get their attention her life went from bad to worse Adriano has an unusual style of writing which once you get used to it only took me a couple of pages to get used to you'll be gripped by Alicia's story I really liked it and it was a real page turner Let yourself be surprised Enter Alicia's third dimension and make your own opinion about this psychological thriller with a difference The book is also available in its French version Alicia Puissance Trois on amazon
