is a headlong story of nerve wracking tension psychological validity and emotional drive Oakland Tribune Blanche Lake is not like the other mothers who come to collect their children at the local nursery school on New York s Upper East Side She lives alone has a job and has never been married It s the first day of school when this story begins and Blanche is eager to see how her daughter Bunny has fared away from home But her expectant waiting becomes a mother s most dreaded nightmare Bunny never materializes Neither teachers nor students recall the small girl and soon Blanche is engaged in a frantic search for any trace of her missing daughter And the worst part is no one believes her In this fraught and at times freakish tale of suspense Evelyn Piper takes us deep into the psyche of the 1950s to explore American fetishes fallacies and fears around motherhood and sexuality Blanche emerges as a new kind of heroine a hard boiled mom with gun in hand willing to take any risk to find her missing daughter A classic thriller a riveting revisit to the dark side of the fifties where the tension beneath the calm surface has an undertow that drags the reader into its grip Prime pulp pure pleasure Linda Fairstein author of The Bone Vault *Alabama Getaway* Allen Tullos,2011 In Alabama Getaway Allen Tullos explores the recent history of one of the nation s most conservative states to reveal its political imaginary the public shape of power popular imagery and individual opportunity From Alabama s largely ineffectual politicians to its miserly support of education health care cultural institutions and social services Tullos examines why the state appears to be stuck in repetitive loops of uneven development and debilitating habits of judgment The state remains tied to fundamentalisms of religion race gender winner take all economics and militarism enforced by punitive and defensive responses to criticism Tullos traces the spectral legacy of George Wallace ponders the roots of anti egalitarian political institutions and tax structures and challenges Birmingham native Condoleezza Rice s use of the civil rights struggle to justify the war in Iraq He also gives due coverage to the state s black citizens who with a minority of whites have sustained a movement for social justice and democratic inclusion As Alabama competes for cultural tourism and global industries like auto manufacturing and biomedical research Alabama Getaway asks if the coming
