DESIRE'S CHASE BOOK 2 A second chance at love or a recipe for disaster? After her older sister committed an unspeakable crime that tainted their family name, Desire Summers has lived her life trying to redeem it. But when Chase, her fiancé's older brother, returns to Evergreen looking sexier than she remembers, Desire fears that one look into the compelling gray eyes of the man she still loves and wants will shatter the good girl façade she has so carefully crafted. Twelve years ago, bad boy Chase Hunter was humiliated and run out of town by the devious deeds of a business rival. Now a refined self-made billionaire, he returns to Evergreen to avenge the wrong done against him and win back the love, trust, and respect of the girl he had been forced to leave behind—a girl who has blossomed into a stunningly desirable woman. There is only one problem: she is engaged to his younger brother. Can Chase convince Desire, the only woman he has ever loved, that they belong together before it is too late, or will pride and circumstance keep them from realizing their dreams and living the life they had planned together years ago?

PLEASING MINDY BOOK 3 She trusted him. He betrayed her. Is it too late for the truth? Born and raised in England, Galen Carmichael grew up believing that his father died before he was born because that is what his mother told him. But one phone call and an invitation to visit the United States from an American billionaire half brother he never knew existed debunks that lie and changes Galen's life in ways he never would have imagined. The moment he walked into the exclusive boutique where she works, single mother of two Mindy Marshall fell hard and fast for the handsome Brit who tells her that his deepest desire in life is to please her. He proves it by treating her like a princess and doting on her young fatherless children. However, when Galen abruptly disappears from Mindy's life for eight long months, she slowly comes to realize that what a man says is not always what he means. Can Galen and Mindy find their way back to each other, or will the malicious acts of another and the shocking revelations of their parents' pasts forever keep them apart?
