Lives Lived, Lives Imagined Sabrina Reed, 2022-11-04 Perceptive controversial topical and achingly funny Miriam Toews's books have earned her a place at the forefront of Canadian literature In this first monograph on Toews's work Sabrina Reed examines the interplay of trauma and resilience in the author's fiction Reed skillfully demonstrates how Toews situates resilience across key themes including the home as both a source of trauma and an inspiration for resilient action the road trip as a search for resolution and redemption and the reframing of the Mennonite diaspora as an escape from patriarchal oppression The deaths by suicide of Toews's father and sister stand out as the most shocking and tragic of the author's biographical details and Reed explores Toews's use of autofiction as a reparative gesture in the face of this trauma Written in an accessible style that will appeal to both scholars and devotees of Toews's work *Lives Lived, Lives Imagined* is a timely examination of Toews's oeuvre and a celebration of fiction's ability to simultaneously embody compassion and anger joy and sadness and to brave the personal and communal oppressions of politics religion family society and mental illness
