An Unlikely Angel:

An Unlikely Angel Ernie McBroom Jr.,2015-02-05 Juel Jones could play a guitar the first time she picked one up but nobody ever knew A beautiful girl from a troubled family she gets lost in the world at an early age and sells herself for money Living in a dingy motel barely nineteen years old she writes the first two verses of a song that will one day be heard by the world Her audience a stray yellow cat Working in a massage parlor a thousand miles from home Juel sets out hitchhiking in a fit of anger when along comes Sammy Reed Twenty one the day the story begins Sammy is drifting through life in the aftermath of an unthinkable family tragedy California bound from North Carolina in a windowless 69 Camaro Over the next six months and several thousand miles things happen in the lives of these two beautiful losers that cant be logically explained Things such as the song and its incredible mysterious journey from the back of a brown paper sack to a number one hit As the writer of this story I attempt to raise a number of interesting possibilities The characters I use and the things they do and say will offend some people I know In their defense Id simply say that I personally believe God meant everybody to matter Everybody **The Unlikely Angel** Betina M. Krahn,1996 **Angel's Wish** Sheila Newberry,2023-11-09 For fans of Katie Flynn and Sheila Jeffries Angel s Secret is an uplifting novel from the Queen of family saga and author of Bicycles and Blackberries Sheila Newberry Suffolk 1924 After the death of her fianc in the field hospitals of France Angel becomes nurse to the MacDonald family in the small village of Uffasham Taking residence at the appropriately named Angel Inn she is met by many new faces and old ones too Edith a fellow nurse from the war while taking great interest in Angel s new life refuses to let her forget her old one As Angel grows closer to her employer Robert Edith threatens to expose a secret that could ruin everything Can Angel ever be free to move on with her new life and her new family or will the secrets of her past finally be revealed Reading a Sheila Newberry book is like having dinner with your mother in her warm and cosy kitchen You can feel the love and care put into every juicy morsel Diane Allen bestselling author of For the Sake of Her Family I have long been a fan of Sheila Newberry s novels I love their wonderful warmth and charm Maureen Lee bestselling author of The Seven Streets of Liverpool Ordinary Angels Minerva Baumann,2019-01-15 We all have a little angel in us It s a matter of being in the right place at the right time This collection reveals the Ordinary Angels of El Paso Texas in real life stories of help healing and comfort This book is a collection of columns by Minerva Baumann who wrote for the El Paso Times between 2009 and 2011 These slice of life articles reveal the kindness of strangers the hope of people in a desolate landscape and the prevailing goodness in us all **The Tempter's Voice** Eric Jager,2018-07-05 Why was the story of Adam Eve and the Serpent so important to medieval literary culture Eric Jager argues that during the Middle Ages the story of the Fall was incorporated into a comprehensive myth about language Drawing on a wide range of texts Jager shows how patristic and medieval authors used the Fall to confront practical and theoretical problems in many areas of life and thought including education hermeneutics rhetoric feudal politics and gender relations Jager explores the Fall s meaning for clergy and laity

nobles and commoners men and women Among the works Jager discusses are texts by Ambrose Augustine the early Christian poet Avitus and scholastic authors Old English biblical epics Middle English spiritual writings French courtesy books and the poetry of Dante and Chaucer Examples from the visual arts are included as well Jager links medieval interpretations of the Fall to underlying cultural anxieties about the ambiguity of the sign the instability of oral tradition the pleasure of the text and the many rhetorical guises of the tempter's voice He also assesses the modern and postmodern legacy of the Fall showing how this myth continues to embody central ideas concerning language The Tempter's Voice will be essential reading for scholars and students in such fields as medieval studies literary theory gender theory comparative literature cultural history and the history of religion

A Life Rebuilt Jean Brashear, 2012-06-05 Special Forces veteran Roman Gallardo is a ghost With the nightmares of his past weighing him down the best thing he can do is keep to himself So when a heroic act forces him out of solitude he's not expecting a connection to a woman as vibrant and alive as Jenna MacAllister Or as determined to help other people no matter how hopeless no matter the cost to herself He can't explain it but he's drawn to Jenna and the rebuilding project she's started And the more he works with her the more he wants to leave his past behind and act on the intense attraction between them The temptation is so strong this could be his second chance at life at love

Unexpected Abundance Elizabeth Felicetti, 2023-08-22 Meet 25 women who generated life without giving birth In many Christian communities today women are expected to have children to be fruitful and multiply To be childless is to be less of a

woman less of a Christian or so it can feel Elizabeth Felicetti is deeply familiar with this pressure as an Episcopal priest who never had the children she imagined would be part of her life But in the landscape of her childhood in Arizona Felicetti found fresh eyes If she s barren so is the desert and if you look closely the desert teems with unexpected life This is also true of women throughout history Biblical women like Mary Magdalene medieval mystics like Julian of Norwich and modern activists like Rosa Parks did not have children yet their lives bore fruit in their communities and in the church at large In reflecting on her own experience alongside those of these remarkable women Felicetti deepens our understanding of the many ways to be fruitful Women without children by choice or chance who have felt frustrated or voiceless in the church will find solidarity and inspiration in the pages of *Unexpected Abundance*
