Jeroen Vanheste

An Unexpected Beginning:

The Early Monarchy in Israel Walter Dietrich, 2007 The Hebrew narrative art achieves its highest level in the stories of Saul David and Solomon But beyond that the description of these all too human characters and the dramatic events of the birth of the Israelite state depicts a change of eras that became determinative for half a millennium of Israelite history In this volume Dietrich introduces readers to the stories of the early Israelite state from a variety of perspectives literary critical historical and theological After tracing how biblical and extrabiblical texts describe the period Dietrich skillfully untangles the knotty questions related to the history of the period and perceptively examines the development of this literary corpus as well as the other biblical material that came to be associated with it In a concluding chapter Dietrich revisits the stories of Saul David and Solomon to explore what they teach about theological issues of enduring significance what they teach about God humanity the state the use of force and the relationship between women and men **Modernism and Colonialism**

Richard Begam, Michael Moses, 2007-10-15 The essays in Modernism and Colonialism offer revisionary accounts of major British and Irish literary modernists relation to colonialism **Guardians of the Humanist Legacy: The Classicism of**

T.S. Eliot's Criterion Network and Its Relevance to Our Postmodern World Jeroen Vanheste, 2007-05-11 The T S Eliot of the 1920s was a European humanist who was part of an international network of like minded intellectuals Their ideas about literature education and European culture in general remain highly relevant to the cultural debates of our day

Dinosaur Scientist Thom Holmes, 2010-01-01 Explores the science of and careers in paleontology using several examples of real life scientists Provided by publisher **From A Nation at Risk to No Child Left Behind** Maris

Vinovskis, 2015-04-17 Distinguished historian and policy analyst Maris Vinovskis examines federal K 12 education policies beginning with the publication of A Nation at Risk and focusing on the National Education Goals America 2000 Goals 2000 and No Child Left Behind In addition to discussing key policy debates he also addresses the practical aspects of implementing and evaluating school and classroom reforms drawing on his unique experiences working in the Department of Education during both the George H W Bush and Bill Clinton administrations **Marcello Di Fellini** Celik Sommerseth Shaw Lea, 2025-06-19 Marcello Di Fellini Illuminates the Origins of a Cinematic Icon April 2025 Amfitheatron Publishing What shaped the dreamworld of Federico Fellini In Marcello Di Fellini author Lea Celik Sommerseth Shaw draws back the curtain on the early life of the man who would become a legend of surrealist cinema With lush prose and poetic insight the book traces Fellini s humble beginnings in Rimini to his formative years as an artist and storyteller long before his name lit up the silver screen Federico Fellini a name synonymous with cinematic surrealism and dreamlike narratives emerged from a relatively modest background in Rimini Italy His childhood experiences filled with the sights and sounds of a small Italian town the fantastical tales spun by his grandmother and the anxieties of a rapidly changing world would become the fertile ground from which his unique cinematic vision would blossom Through a vivid literary lens Lea explores Fellini s

transformation from a curious boy sketching caricatures to an emerging voice within the Neorealist movement working alongside Roberto Rossellini The book is both a tribute and a journey part biography part origin myth wholly unforgettable Marcello Di Fellini is available this spring through Amfitheatron More information and early access can be found at www.amfitheatron.com About the Author Lea Celik Sommerseth Shaw is a multidisciplinary entrepreneur creative director environmentalist and human rights advocate with a deep rooted passion for cinema literature and cultural diplomacy Born on the Aegean coast of zmir and of Kurd and Russian heritage she brings a rich multicultural perspective to her work bridging ancestral memory with contemporary inquiry marks a return to Lea s lifelong fascination with cinema

Socialism in Power Roland Boer,2023-03-01 This book examines the historical development in practice and theory of governance in socialist systems With more than a century of such development from many parts of the world including the Soviet Union China and the DPRK North Korea it is possible to gain much from careful study of their political systems But what is the nature of this socialist governance It is abundantly clear that the type of governance in socialist countries had never before been seen in human history How does this governance work What was the political theory that arose from the practice How did this type of governance develop over

time and in light of specific conditions These are the questions that Socialism in Power sets out to answer It does so not by using methods developed for studying Western liberal nation states but by deploying Marxist Leninist analysis Not an abstract Marxism but concrete Marxism as it was applied and developed in light of the particular historical conditions of the countries in question The book begins with careful analysis of the works of Marx and Engels with a particular emphasis on Engels who was crucial in establishing the basic principles of socialist governance Next the book focuses on the Soviet Union which was the first country in human history to experience socialism in power The rarely studied DPRK North Korea comes next as a transition to East Asia followed by a number of chapters on China which arguably has the most developed form of socialist governance
