Apostle Robert Muli

Analytical Key To The Old Testament 4 Set:

A Biblical Theology of Gerassapience Joel A. A. Ajayi, 2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In A Biblical Theology of Gerassapience the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise

The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies

Cristina García-Alfonso, 2010 The story of Rahab Joshua 2 has traditionally been interpreted as the account of a foreign woman and prostitute who changes the course of her life when she converts to Yahweh In return for her faithful act of saving the spies sent by Joshua to search the land of Canaan Rahab and her family obtain salvation once her city of Jericho is destroyed The story of Jael Judges 4 17 23 has commonly been read as Jael s violent act of killing Sisera King Jabin s commander in chief with a tent peg to his temple while he was asleep Jael is perceived as someone who fails to fulfill the hospitality codes of her society The story of Jephthah and his unnamed daughter Judges 10 6 12 7 describes the tragic event in which Jephthah makes a foolish and horrible vow offering his innocent daughter in sacrifice to God Typically this text is read as Jephthah being immensely irresponsible and his daughter being the poor victim who pays for her father s oath Cristina García-Alfonso proposes that the stories of Rahab Jael and Jephthah can be particularly enriched and give hope to contemporary contexts of hardship when they are read through the Cuban notion of *resolviendo* survival Using narrative criticism along with different contemporary approaches to the texts including feminist and post colonial approaches García-Alfonso s readings of the biblical narratives from a perspective of *resolviendo* offer insights in the struggle for survival many Cubans face today Also explored are the implications that a reading through the notion of *resolviendo* or survival can have for other contexts in contemporary societies where survival is at stake **THE OLD TESTAMENT** Edward D.

Bloodless Atonement? Benjamin J. Burkholder,2017-06-27 Does the Messiah have to die to pay for his people s sins Is the cross of Jesus an atoning sacrifice In recent decades a burgeoning number of theologians have answered the aforementioned questions in the negative In fact some like Rene Girard have gone so far as to assert that seeing the cross as an atoning sacrifice undermines the very essence of the New Testament Gospels While Girard and others following in a similar vein have offered provocative alterations to soteriology that no longer need Jesus s death to acquire forgiveness from God does a bloodless atonement have biblical support Does a nonviolent understanding of the atonement harmonize with the Gospels This particular volume answers these questions with a fresh look at the Synoptic portraits of the Last Supper accounts In them Jesus expounds upon the significance of his death by using the Passover symbols of bread and wine More importantly in these passages in the Gospels we find the fullest articulation of how Jesus s death benefits his followers Holding a wealth of dense theological riches these passages provide theological parameters that can inform contemporary soteriological development especially that which appeals to the New Testament for its basis Conversant with both biblical studies and contemporary theology the work seeks to bring the best of both fields into conversation in productive new ways **A**
