The Transition to Democracy National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, 1991-02-01 One of the most exciting and hopeful trends of the past 15 years has been the worldwide movement away from authoritarian governments The collapse of the communist regimes in Eastern Europe is only the latest and most dramatic element in a process that began in the mid 1970s

and still seems to be gaining momentum in such areas as subsaharan Africa This book summarizes the presentations and discussions at a workshop for the U S Agency for International Development that explored what is known about transitions to democracy in various parts of the world and what the United States can do to support the democratization process
