Vernon, 2007-08-15 As the world enters a new century as it embarks on new wars and sees new developments in the waging of war reconsiderations of the last century s legacy of warfare are necessary to our understanding of the current world order In Soldiers Once and Still Alex Vernon looks back through the twentieth century in order to confront issues of self and community in veterans literature exploring how war and the military have shaped the identities of Ernest Hemingway James Salter and Tim O Brien three of the twentieth century s most respected authors Vernon specifically explores the various ways war and the military through both cultural and personal experience have affected social and gender identities and dynamics

in each author's work Hemingway Salter and O'Brien form the core of *Soldiers Once and Still* because each represents a different warring generation of twentieth century America World War I with Hemingway World War II and Korea with Salter and Vietnam with O'Brien Each author also represents a different literary voice of the twentieth century from modern to mid century to postmodern and each presents a different battlefield experience Hemingway as noncombatant Salter as air force fighter pilot and O'Brien as army grunt War's pervasive influence on the individual means that for veterans turned writers like Hemingway Salter and O'Brien the war experience infiltrates their entire body of writing their works can be seen not only as war literature but also as veterans literature As such their entire postwar oeuvre regardless of whether an individual work explicitly addresses the war or the military is open to Vernon's exploration of war society gender and literary history Vernon's own experiences as a soldier a veteran a writer and a critic inform this enlightening critique of American literature offering students and scholars of American literature and war studies an invaluable tool for understanding war's effects on the veteran writer and his society

A Sport and a Pastime James Salter, 2007 *A Sport and a Pastime* is an astonishing performance the classic novel from a remarkable writer whose sentences bristle with a singular passion Salter chronicles a love affair between a young shopgirl and an American college dropout against the backdrop of provincial France The narrator's cool distillation of events real or imagined makes the book both lyrical and tightly dangerously pitched
