All The Lambs Died:

Two Shakes of a Dead Lamb's Tail Noreen Reeves,2013-09-27 This is the story of a young nave and courageous womans path of dreams expectations frustrations and disappointments along with a good dose of reality and a wicked sense of humour A woman who wasnt afraid to bite the bullet and give everything a damn good go She is a woman with fierce determination and self belief blended with an amazing sense of loyalty integrity and empathy who has allowed us to look through the window of her life warts and all

All Power to the Lamb James R. Johnson,2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age
