All The Little Things Little Kid Problems:

All the Little Things Boxset Books 1-3 B. Holliday, 2019-08-14 The first 3 books in the All the Little Things African American Romance Series Spanning over a period of six years from high school sweethearts to learning what it means to be in love and a relationship as broken young adults Read Rafael and Akilah's complete 3 part love story All the Little Things After fleeing Miami for a new start Akilah was the last thing 19 year old Rafael needed She was everything he avoided in the past with girls Opinionated Assertive Shrewd Too curious for her own good Bold Daring The type you didn't want involved when you were running and had something to hide He fell for her anyway There are a lot of big reasons that Rafael shouldn't be with Akilah There are a lot of big reasons why he can't be with her But shouldn't and can't aren't in her vocabulary And there are a lot of other reasons little things really that Rafael should be with her that outweigh the big things But when his past his abuser the reason he lived on the streets for three years the reason he can never go back home the biggest reason he shouldn't get involved with Akilah comes knocking on the door Rafael has a choice to make Confront it Or lose Akilah forever All the Uncertain Things Rafael and Akilah had it all figured out Graduate high school go to college and for Rafael after a year of struggling with mental health issues and recovering from sexual abuse that happened to him as a teen trying to be better and more attentive to Akilah Akilah getting pregnant just before they graduated high school wasn't part of that plan Now Rafael has to grapple with his mixed emotions about it He didn't want kids but Akilah's keeping the baby whether he wants her to or not and he sure as hell doesn't want to be like the dad who left him before he could really remember him At the same time he's terrified if he stays he'll turn into the stepdad that abused him and his mother Considering his history and the bad examples he's had for male role models his whole life Rafael's not sure he can do it And given that he keeps messing up and even Akilah seems to doubt that he can be what she and their baby need for him to be he's uncertain he should even try Maybe his dad did have a good reason for leaving Rafael and his mom behind and maybe that same reason is good enough for Rafael to do the same to Akilah so he's gone before he can even give their kid even a vague memory of him All the Hidden Things After a tumultuous first few years together Rafael's relationship with Akilah is finally stable They're both only months from graduation Akilah's getting ready for law school and Rafael He's really not sure what he wants to do with the rest of his life But he'll figure it out Then an old sex video of Rafael ends up online for the world to see and there goes stability With his silence doing more damage than the actual video and his reputation and professional future on the line Rafael decides the best way to undo the damage is to be completely truthful about the traumatic and violent past he's tried to keep hidden He expected some backlash from his decision not to be the silent victim anymore What he didn't expect was Akilah's own hidden past and damning indiscretions to be exposed and used against her Nor did he expect it to go viral Now Rafael has to decide if defending himself is worth the cost of Akilah's future and possibly their relationship or if he should just close his mouth and hope everything blows over But it might be too late to stop And even if it wasn't Rafael's not sure he

wants to Either way he hopes Akilah will forgive him TW Discussion of rape Childe abuse abortion and sexual violence

Hidden Powers of Positive Thinking Julio Toro, 2006-10-12 This book enters areas of my life and moments that have offered me the wonderful gift of understanding We all believe to understand and know but in reality as the years pass we realize that sometimes we did not but we quickly learned There are angered spats there are cheers there are so many different emotions and feelings in us that we do not always tap into and some we tap into too much This book is not only a collection of thoughts and reflections relevant to positive thinking but more so a rerouting of energy quite often created by negative interjections in my life I have met so many people that have often made me wonder why still a belief in them and why the yearning to help those individuals even if with just words and it sort of struck me with clarity How can people be positive and well natured when some have not learned the methods Ergo comes the initialization of this compilation I will not say that I will touch everyone in America nor will I say that my methods are the best or the only but instead I will classify it functional That is really all we need a functional method of achieving a mental attitude that gives us motivation understanding drive and total belief in what we are doing or plan to do In my eyes and I have seen a great deal there lie views of despair desolation depression anger distrust to name a few that totally eat people up inside and this is not a good thing Individuals tend to keep things bottled up inside for they have no method for release no one to listen no one to really care This in turn converts into introverted people with internal problems which surface as external displays of anger Anger is a scary thing when you keep it all bottled up inside It becomes somewhat like held pressured contents inside you that basically turns you into a ticking time bomb Release of this pressure is completely necessary and must be considered a very serious matter When we bottle things up inside and look the other way of solutions we cause ourselves harm and within the pages of this book I strongly attempt to help decipher when this harm is brewing and how we should attempt to deal with it properly for the sake of mental stability The samples written are real the experiences expressed are real the sincerity with which I offer my resolve is and always will be totally real I bring the point of view of someone who has been through it not someone offering strictly the views of others experiences The pages are raw and to the point yet subtle enough to entice your reading and provide a good clean experience driven account of positive living through positive thinking There may be some points to agree with and some to not agree with after all this is all based on one man's thought process not necessarily a global following but the lessons are good and the visuals are helpful I simply want people to understand that sometimes we carry the answers to our minor and some major problems and we just need to know where to look Inside ourselves we carry so much and within our minds we potentially harness such power yet we encase it all in a shell of doubt or a cover of question Why What we should be doing is exploring within ourselves and making what works for us priority instead of

secondary thoughts to those implanted in our heads by way of negative influences or downplaying environments In order to take hold of our situations we need to take hold of ourselves our thoughts our beliefs our goals and make it all one big effort not for mom not for dad not for uncle Rob but for us You shine your brightest when you feel your finest Feeling positive about yourself and what you do can give you just that That in a summation is my primary goal with this writing to inspire people to just feel positive with themselves and what they do how they do it Granted although we won t be in a completely p
