Impact of Tectonic Activity on Ancient Civilizations Eric R. Force,2015-08-27 Impact of Tectonic Activity on Ancient Civilizations Recurrent Shakeups Tenacity Resilience and Change observes a remarkable spatial correspondence of zones of active tectonism i e plate boundaries in the earth s crust with the most complex cultures of antiquity great ancient civilizations and continues to explore the meaning of this relationship from a number of independent angles Due to resulting site damage this distribution is counter intuitive Nevertheless systematic differences between tectonic and quiescent cultures show that tectonic activity corresponded in antiquity with more cultural dynamism Data of several independent types support direct cultural influence of tectonism including vignettes of the impact of tectonism in specific ancient cultures An expectation of change seems to be a feature such tectonic cultures shared and led to an acceleration of development These dynamics continue though much obscured in the present day

Turning Points II

Tm' 2007 Ed. , Teaching Global History Alan J. Singer,2012-04-27 Teaching Global History challenges prospective

and beginning social studies teachers to formulate their own views about what is important to know in global history and why It explains how to organize the curriculum around broad social studies concepts and themes and student questions about humanity history and the contemporary world All chapters include lesson ideas a sample lesson plan with activity sheets primary source documents and helpful charts graphs photographs and maps High school students responses are woven in throughout Additional material corresponding to each chapter is posted online at http://people.hofstra.edu/alan_j_singer The traditional curriculum tends to highlight the Western heritage and to race through epochs and regions leaving little time for an in depth exploration of concepts and historical themes for the evaluation of primary and secondary sources and for students to draw their own historical conclusions Offering an alternative to such pre packaged textbook outlines and materials this text is a powerful resource for promoting thoughtful reflection and debate about what the global history curriculum should be and how to teach it
