Catálogo de las consultas del Consejo de Indias: 1626-1630 Archivo General de Indias,1987 *Abecedario de Juárez* Julián Cardona,2022-01-04 Juárez Mexico is known for violence It began with the femicides of the 1990s then continued with the cartel related mayhem that made it one of the world s most dangerous cities from 2006 to 2012 Along with the violence came a new lexicon that traveled from person to person across rivers and borders wherever it was needed to explain the horrors taking place From personal interviews media accounts and conversations on the street Juli n Cardona and Alice Leora Briggs have collected the words and slang that make up the brutal language of Ju rez creating a glossary that serves as a linguistic portrait of the city and its violence Organized alphabetically the entries consist of Spanish and Spanglish accompanied by short English definitions Some also feature a longer narrative drawn from interviews stories that put the terms in context and provide a personal counterpoint to media reports of the same events Letters and many of the entries are supplemented with Briggs s evocative illustrations which are reminiscent of Hans Holbein s famous Alphabet of Death Together the words drawings and descriptions in ABCedario de Ju rez both document and interpret the everyday violence of this vital border city
