Sulman,2016-04-12 Facts Fiction and the Bible The Truth behind the Stories in the Old Testament serves as a readers guide to conducting a thorough investigation of the stories contained in the

books of the Bible's Old Testament. Its historical exploration helps to distinguish the stories' verifiable facts from their narrative fictions. The author, Gijsbert J. G. Sulman, builds upon a long history of Bible study and research to bolster his sifting of those facts from the Bible's fictions. The serious student of the Bible will find a wealth of resources at hand in the pages of *Facts Fiction and the Bible*. Twenty-two chapters treat the Old Testament's major themes, events, and figures. Plentiful illustrations and an extensive bibliography and copious endnotes provide exhaustive visual and textual documentation to support the book's presentation. By taking stock of a wealth of research and integrating it with a careful reading of the biblical text, *Facts Fiction and the Bible: The Truth behind the Stories in the Old Testament* presents to the reader a careful and reasoned assessment of the truth lying behind and beneath the Old Testament's stories. With this in-depth survey in hand, the reader will come to know and to appreciate the Bible's stories and to discern what really happened.

Telling His Story: POW #1000 Janis Pardue Hill PhD, 2022-12-02. The Japanese captain said, "You will all die here." The finality of his words was ominous, but they were the words of an enemy the American and Filipino captives had come to know as they were force-marched northward on the Bataan Peninsula. They took hope in the fact they had survived thus far. They had already witnessed the brutality of the Japanese guards on the infamous Bataan Death March as they bayoneted, shot, beheaded, or buried alive any who fell. But then came the camps where the POWs lived and walked with death. Such was J. C. Pardue's nightmare. In *Telling His Story: POW 1000*, Dr. Janis Pardue Hill, as primarily a compiler and editor, provides the details of his story. This memoir covers both his entry into the US Army Air Corps and his experiences in and after World War II: the battle to hold Bataan, the surrender of Bataan, the brutal inhumane treatment on the Death March and in the POW camps as a slave in Japan and as a survivor determined to live a Christian life. Most prominent among her father's memories was the miracle of his Bible surviving a direct hit from a fragmentation bomb, confiscation in a POW camp, and disposal on a Hell Ship; his Bible always returned. His most treasured possession, that Bible, came home with POW 1000, who attributed his survival to the faith acquired and absorbed from the weapon he considered the most valuable of all: his Bible.
