Quantified Storytelling Alex Georgakopoulou, Stefan Iversen, Carsten Stage, 2020-09-19 This book interrogates the role of quantification in stories on social media how do visible numbers e.g. of views shares likes and invisible algorithmic measurements shape the stories we post and engage with The links of quantification with stories have not been explored sufficiently in storytelling research or in social media studies despite the fact that platforms have been integrating sophisticated metrics into developing facilities for sharing stories with a

massive appeal to ordinary users influencers and businesses alike With case studies from Instagram Reddit and Snapchat the authors show how three types of metrics namely content metrics interface metrics and algorithmic metrics affect the ways in which cancer patients share their experiences the circulation of specific stories that mobilize counter publics and the design of stories as facilities on platforms The analyses document how numbers structure elements in stories indicate and produce engagement and become resources for the tellers self presentation This book will be of interest to students and scholars working in the fields of narrative and social media studies including narratology biography studies digital storytelling life writing narrative psychology sociological approaches to narrative discourse and sociolinguistic perspectives **How White**

Evangelicals Think Dave Verhaagen, 2022-08-16 The majority of Americans have looked on in some combination of horror and befuddlement as many white Christians particularly evangelicals have revealed beliefs and opinions seemingly antithetical to the Christian faith whether holding racist attitudes supporting conspiracy theories aligning with nationalistic and authoritarian movements or becoming hostile toward the different and marginalized Dr Dave Verhaagen a nationally board certified psychologist and author tackles the challenge of explaining the psychology behind what has become the unique mind of the modern white Christian Each chapter explores one or more robust psychological principles that help make sense of why white Christians think like they do **To Name the Bigger Lie** Sarah Viren, 2024-09-10 Has the page turning quality of a thriller NPR Strange and wonderful A book for our times The New York Times Book Review Propulsive mesmerizing breathtaking Publishers Weekly starred review This unforgettable memoir traces the ramifications of a series of lies that threaten to derail the author's life exploring the line between fact and fiction reality and conspiracy In To Name the Bigger Lie Sarah Viren has pulled off a magic trick of fantastic proportion The Washington Post telling the story of an all too real investigation into her personal and professional life that she expands into a profound exploration of the nature of truth The memoir begins as Viren is researching what she believes will be a book about her high school philosophy teacher a charismatic instructor who taught her and her classmates to question everything eventually even the reality of historical atrocities As she digs into the effects of his teachings her life takes a turn into the fantastical when her wife Marta is notified that she's being investigated for sexual misconduct at the university where they both teach To Name the Bigger Lie follows the investigation as it challenges everything Sarah thought she knew about truth testimony and the difference between the two She knows the claims made against Marta must be lies and as she attempts to uncover the identity of the person behind them and prove her wife's innocence she's drawn back into the questions that her teacher inspired all those years ago about the nature of truth the value of skepticism and the stakes we all have in getting the story right An incisive journey into honesty and betrayal this memoir explores the powerful pull of dangerous conspiracy theories and the pliability of personal narratives in a world dominated by hoaxes and fakes An ouroboros of a book The New York Times and a bold new approach to the genre of memoir The Millions To Name the Bigger Lie also reads like the best of psychological thrillers made all the

The Top Books of the Year 101 Amazing People That We Only Know About Because We Reddit The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
