Praxis of Retelling Parables and Miracles Beschi Jeyaraj, 2023-02-09 A bible theological didactic is not principally reduced to learning and teaching Bible alone but rather extended to understanding and interpreting Bible in one's own religious and pedagogical context Bible didactic moreover does not circumscribe itself only to biblical knowledge in virtue of deducing some abstract and moral principles but it rather prospects to strengthen and reconstruct one's identity within the choices offered by culture and context This book aims to engage in an intercultural interpretation of the parables and the miracles of Jesus by dialoging with the culture of Tamils This comparative study subsequently proposes an alternative synchronic hermeneutic in biblical didactics replacing a deep seated diachronic model in Tamil land It also develops a model of sync curation superseding fossilised model of inculturation This book capitalises Tamils texts and narratives of masses reflected in the archives of Tamil literatures and legends in the process of theologisation Bearing on the aesthetics of parables and miracles and contextual reading of them this study brings forward the world in front of the text leaving behind the conventional exegesis of the world behind the text

Ancient and Modern James E. Talmage, 2012-02-13 It is particularly congruous and appropriate that the Church of Jesus Christ of Latter day Saints the only Church that affirms authority based on specific revelation and commission to use the Lord s Holy Name as a distinctive designation should set forth her doctrines concerning the Messiah and His mission The author of this volume entered upon his welcome service under request and appointment from the presiding authorities of the Church and the completed work has been read to and is approved by the First Presidency and the Council of the Twelve It presents however the writer s personal belief and profoundest conviction as to the truth of what he has written A characteristic feature of the work is the guidance afforded by modern scriptures and the explication of the Holy Writ of olden times in the light of present day revelation which as a powerful and well directed beam illumines many dark passages of ancient construction JAMES E TALMAGE Salt Lake City Utah September 1915 **The Bible and the Holy Fathers for**

Orthodox Johanna Manley, 1990 Cycle of daily Gospel and Epistle readings based on the movable calendar which starts with Easter Pascha includes the fifty days after the Resurrection Pentecost and the 37 weeks that followed the Week of the Publican and the Pharisee followed by the Triodion which begins 10 weeks before Easter and includes the Preparation for Lent Graet Lent and Holy Week This work is particularly addressed to those who set aside an hour daily for prayer and meditation Appendices are added for Sunday matins major fixed feasts such as Nativity Theophany and other Feast days of Martyrsm saints But since this volume is not arranged according to the fixed calendar which lists all the saints and fixed feasts for each day of the month a suitable companion would be a Menaion which provides a fuller treatment of the major feast days and the flow of church seasons **Jesus the Christ** James E. teachings and beliefs concerning the life and ministry of Jesus **The Bible and Western Culture** Dr. Sam Armato, 2012-10-11 I taught at the University of Southern California for 28 years During that time I developed a number of courses including The Bible as Literature the first such course in the country which subsequently proliferated in universities around the country I taught the course for ten years which attracted upwards of 100 students every semester deepening my research and knowledge of the Bible and my insights into the Bible's influence on Western Civilization The ceiling of the Sistine Chapel is the most obvious evidence of the Bible's artistic inspiration Michelangelo spent years on his back producing his frescos depicting scenes of the Bible The ubiquitous presence of the Bible and its influence on virtually every facet of Western Civilization have no equal Yet few are sufficiently familiar with the text to recognize its ubiquity This book intends to correct that innocence The Priest and Levite as Temple Representatives Michael Blythe, 2023-07-07 The parable of the good Samaritan is well known yet scholarship has not plumbed the depths of its meaning within its first century Palestinian context For the majority of Christian history the parable has suffered either from extreme allegorical treatments or from unimaginative readings limiting the parable to a single point example story of virtue A creative reading employing social and historical methods generates a refreshing telling of the story within Jesus's context whereby each variable from the Samaritan to the priest and even the innkeeper takes on representative forms not only indicative of widespread concerns from Jesus's audience but also becoming symbols of the eschatological age when the new temple supplants the old **Jesus the Christ: A Study of the Messiah and Mission According to Holy** James E. Talmage, 2016-08-25 The scope of the subject presented in this work is expressed on the title page It will be readily seen that the author has departed from the course usually followed by writers on the Life of Jesus Christ which course as a rule begins with the birth of Mary's Babe and ends with the ascension of the slain and risen Lord from Olivet The treatment embodied in these pages in addition to the narrative of the Lord's life in the flesh comprizes the antemortal existence and activities of the world's Redeemer the revelations and personal manifestations of the glorified and exalted Son of God during the apostolic period of old and in modern times the assured nearness of the Lord's second advent and predicted events beyond all so far as the Holy Scriptures make plain It is particularly congruous and appropriate that the Church of Jesus Christ of Latter day Saints the only Church that affirms authority based on specific revelation and commission to use the Lord's Holy Name as a distinctive designation should set forth her doctrines concerning the Messiah and His mission The author of this volume entered upon his welcome service under request and appointment from the presiding authorities of the Church and the completed work has been read to and is approved by the First Presidency and the Council of the Twelve It presents however the writer's personal belief and profoundest conviction as to the truth of Pg iv what he has written The book is published by the Church of Jesus Christ of Latter day Saints A characteristic feature of the work is the guidance afforded by modern scriptures and the explication of the Holy Writ of olden times in the light of present day revelation which as a powerful and well directed beam illumines many
