

Birds of a Feather: Spend Time with Other Motivated People

The people you surround yourself with significantly impacts how motivated you feel. You'll want to surround yourself with passionate and motivated people who successfully achieve their own goals. These people will motivate and inspire you to stay focused on your own goals.

Have you ever wanted to give up on a goal because it's just too hard? Or you've felt down in the dumps and unmotivated to continue your path? Chances are, it has something to do with the people you surround yourself with.

Studies show that spending time around motivated and passionate people who are achieving their own goals will increase your motivation just by being near them.

Think about it. If your goal is to start running every day, but you only hang around sedentary people, it will be harder for you to get moving. But if you find someone who is also passionate about running (or whatever it is you want to do), you'll spend time together on runs and maybe even discuss triumphs.

Tip for Finding Inspirational People

560-Word "Birds of a Feather: Spend Time With Other Motivated People" Article

can provide valuable guidance and help keep you motivated.

- **Set goals you can achieve** – Focus on your personal growth by setting realistic and achievable goals. Believing in yourself and having a clear action plan will help you stay motivated even if those around you are not.
- **Seek out positive influences** – Join communities with the same ambitions and outlooks on life as you do. When you're around folks with the same values, it will ensure that you have a strong support network of individuals who are driven toward success.

The experience of spending time with people who are inspired to act will encourage both of you to keep going, and will make doing the new things you want to try a regular part of your routine. It helps even more if they are further ahead in the process than you are because it enables them to provide invaluable information learned through their experience.

Having someone who understands where you're at and provides actionable tips, makes reaching your goal much more effortless. When you take charge of the company of people around you, they will motivate you to stay focused on achieving your goals. After all, what they say about birds of a feather is true. Like attracts like. So, the more you spend time with positive people who share similar values as you do, the better.

It's the idea that someone else's life is interesting, the truth is when you have a value system, it's not a lot to you, you'll do much better in life by spending time with people like you. This way, when you need to effect out everyone else's life, you can have similar values and be very sure, but these values help you deal with things in all areas of your life.
