Scripture Awareness Jimmy Sanders, 2014-10-09 This book is designed to aid us in getting to know God for who he is and help develop knowledge of the God we are to worship How can we worship a God that we don't know It seems that more often than not our worship preparation and presentation are done without any spirit or thought of God Man seems to be on stage to present his own cause through showmanship and entertainment A real presence of God is not sought and in some places may not be welcome Worship seems to have lost its fire and definitely its fire power There seems to be a missing element in going into the sanctuary to worship we are trying to help rediscover the humbling spirit awe and adoration of God
