1 And 2 Thessalonians Robertson S Notes:

Word Pictures in the New Testament - 2 Thessalonians A. T. Robertson, 1930 This is a verse by verse commentary on the English text with the corresponding Greek in English letters stressing those meaningful and pictorial suggestions which are often implicit in the original significance of the words but are lost in translation The author makes available for those who do not know Greek a large amount of critical and exegetical material and of interpretative insight directly connected with studies in the original text Book jacket Everything in Common? Fiona Jane Robertson Gregson, 2017-11-07 Possessions and how believers handle them are key topics in the NT In this book Fiona Gregson examines the practice and theology of sharing possessions in community in the NT by examining six diverse NT examples of sharing Each example is considered in its historical and cultural context before being compared to one or more non Christian examples to identify similarities and differences Gregson identifies common characteristics across the NT examples and consistent distinctives in how the early church shared possessions compared to the surrounding cultures Gregson s findings demonstrate that Christians subverted Roman patronage expectations Christian groups were more diverse in their membership and exhibited more flexible less structured examples of sharing Christians placed greater emphasis on the free choice of individuals to contribute to sharing and Christians more frequently participated in eating together and had a greater focus on relational bonds than was common in Graeco Roman society culture **1 and 2 Thessalonians, 1 and 2 Timothy, Titus** Robert L. Nicholl,2004-03-04 This ground breaking analysis cuts to the heart of the critical debate surrounding the two Thessalonian Epistles Colin R Nicholl examines the situations giving rise to each Letter with a view to determining how the two relate historically His book presents an original and compelling hypothesis arguing that reflected in the Letters are two stages of a single crisis plaguing a recently formed Greek Church which spiralled from hope into despair on account of confusion about the end In addition to making a fresh case for the authenticity of 2 Thessalonians and resolving one of the most difficult problems in the Bible the identity of the Restrainer this monograph is a comprehensive analysis of the Thessalonian Epistles It will provide an indispensable resource for scholars and pastors interested in the Thessalonian correspondence **Slavery**

Brown,2014-01-07 The great deception of the 21st century At a time when the church needs an urgent wake up call and a fresh encounter with Jesus the hyper grace message is lulling many to sleep Claiming to be a new revelation of grace this teaching is gaining in popularity but is it true Or is the glorious truth of grace being polluted by errors leading to backsliding compromise and even the abandonment of faith Hyper Grace looks at the major teachings put forth by many adherents of this grace reformation and prayerfully

compares those teachings with the Word of God answering questions such as How do our sins affect our relationship with God What is the relevance of the Old Testament to our faith What does Jesus actually have to say about grace Without watering down the Bible's true message of grace Michael Brown gives you the facts demonstrating the dangers of this seductive message and showing you how to keep from being taken in **The Press of the Text** Andrew H.
