- 1 Analyse two benefits to VBH of its approach to human resource management (HRM).

Human Resource Management is the effective management of an organisation's employees to help the business gain a competitive advantage from this strategic approach. HRM strategy may be hard or soft. Hard HRM is an approach to managing employees that focuses on cutting costs. Where as soft HRM is an approach to managing employees that focuses on their development so that they reach self-fulfilment and are motivated to work hard and stay with the business. VBH uses soft HRM approach and VBH employees have flexible employment contract which means that they allow their employees to have more control over their work-life balance, including options to work from home, flexible start and finish times, to work part-time or to job share. The benefits to VBH of these are that they will be able to attract well-qualified recruits which will improve customer service and the workforce will be motivated to work with VBH. Since they provide their employees with flexible employment contract, the employees can have more choice over working hours and can plan their personal activities accordingly, they have great freedom to achieve work-life balance. Thus this will lower
