14 June History Paper 2 Memorandum:

Brian Simon and the Struggle for Education Gary McCulloch, Antonio Fco Canales, Hsiao-Yuh Ku, 2023-09-21 This is the first full length study of the life and career of Brian Simon 1915 2002 leading Marxist intellectual and historian of education in twentieth century Britain Using documentary sources that have only recently become publicly available it reveals the remarkably broad range of Simon s life as student soldier and school teacher Communist Party activist and educational academic campaigner and reformer In a sympathetic biography that yet retains critical distance the authors analyse Simon s contribution to Marxism and the CP explore the influence of both on his work as a historian of education and trace the significance of his Marxist beliefs political associations and historical approach to the cause of educational reform In so doing they consider the full nature and limitations of Simon s achievements in his struggle for education Unlike many Marxist scholars he remained loyal to the CP in the 1950s which damaged his reputation as a public intellectual Nevertheless his support for comprehensive education helped to promote egalitarian educational reforms in Britain although he was later unable to provide sufficient resistance to the 1988 Education Reform Act and to a decline in the position of the comprehensive schools In all this the significance of Simon s family and especially his relationship with his wife Joan is to the fore Joan and Brian forged a formidable 60 year partnership in politics and the CP as well as in life that lasted until Brian s death in January 2002
