Rowe, Linda Merryman, 1977 **Research Reporting Series**, 1972 Project Independence Blueprint United States. Federal Energy Administration, 1974 What is Project Independence The sources and uses of energy in the United States have changed dramatically in the last several decades As a result in just one generation we have shifted from a position of domestic energy abundance to a substantial and continually growing reliance on foreign energy sources Project Independence is a wide ranging program to evaluate this growing dependence on foreign sources of energy and to develop positive programs to reduce our vulnerability to future oil cut offs and price increases **Resources in Education**, 2001-10

Project Independence United States. Federal Energy Administration, 1975 *The Lancet*, 1872 Scientific American, 1896 *God & Government* Charles Colson, 2010-10-05 How should Christians live their faith in the public arena Twenty years ago the first edition of Chuck Colson's *Kingdoms in Conflict* became a bestseller a must read for people interested in politics and the relationship between church and state Now with a passion for truth and moved by the urgency of the times we live in Colson has written *God and Government* re voicing his powerful and enduring message for our post 9 11 world In an era when Christianity is being attacked from every side books being written charging Christians with being theocrats and trying to impose their views on an unwilling culture what is the message of the Christian church What does the Bible say and what do we learn from history about the proper relationship between faith and culture Appealing to scripture reason and history this book tackles society's most pressing and divisive issues New stories and examples reflect the realities of today from the clash with radical Islam to the deep division between reds and blues In an era of angry finger pointing Colson furnishes a unique insider's perspective that can't be pigeonholed as either religious right or religious left Whatever your political or religious stance this book will give you a different understanding of Christianity If you're a Christian it will help you to both examine and defend your faith If you've been critical of the new religious right you'll be shocked at what you learn Probing both secular and religious values *God and Government* critiques each fairly sides with neither and offers a hopeful fair minded perspective that is sorely needed in today's hyper charged atmosphere Complete Book of Colleges, 2005 Edition Princeton Review (Firm), 2004-07-20 Up to date information on 1 780 colleges and universities
